Anniversaries are a time for reflection and celebration. The twenty-fifth year is especially important because it is a point of evaluation: a time to look back and review what was and to plan what shall be. The students of the past have worked diligently to shape Kimball into the organization that is present today. It is to these lingering spirits of students and faculty members that we dedicate this book. All of their achievements and memories, as well as ours, will remain behind for future generations to enjoy.

Life at Kimball this year was totally great. I mean, like, we had these pep assemblies, you know. Like, these cheerleaders got on the stage, you know, and jumped around — it was wild! I mean, like, the teachers give us so much homework — its *soooo* grody, you know, like — even on weekends.

We had . . . uh . . . ya know . . . like . . . a football team. Like, I mean they would run around this big green yard . . . you know . . . like tackle city! They would run all over the field . . . like it was *really* weird!

Some of the people here at Kimball dress . . . uh . . . like really awesome. Everyone has these shirts with . . . uh, ya know . . . like alligators on them . . . I'm sure! I mean really . . . they walk around with these, like, pennyloafer shoes and monogrammed sweaters . . . ya know, like wow!

1

"O.K. Class — By tomorrow, I want you to have read Chapters 1-7 and answered the questions at the end of each chapter." Sound familiar? By far, the most despised aspect of anyone's school year is homework. Most students feel that giving homework isn't fair. After all, a typical student spends seven hours a day at school as it is. Why must he be asked to do school work at home? Time outside of school can be spent on other, "more important" things, shouldn't it?

## NEW STATE LEADERSHIP PROVIDES WELCOME CHANGE

by Brian Tinsley

On January 1983, in the midst of a driving rain, Mark White was sworn in as the 42nd governor of Texas. The 42-year old Democrat brought with him into the governor's office new and fresh ideas — which is a welcomed relief for most Texans. His predecessor, William Clements, fought a bitter and expensive battle to retain his position, but most minorities and teachers fought equally as hard to see that he didn't win. Clements, the first Republican governor in Texas in over a century, introduced many ideas which had great potential, but the mistakes he made and the peo-

ple he offended quickly led to his ouster.

Clements' arrogant and unrestrained personality originally served as one of his chief assets. Many said that his forcefulness was the main reason he defeated Dolph Briscoe in 1978. Clements, however, soon found it difficult to uphold all of his pre-election promises. As his term progressed, the list of his opponents and skeptics grew longer. Among the most vocal group to oppose the former governor was the Texas State Teachers association. Teachers found it hard to make clear to Clements their increasing need for

higher salaries, and Clements did basically nothing to meet their needs. This was probably his biggest and most costly mistake.

While no one knows what the future holds for the life of our state, the new leadership in the governor's office make the future brighter and full of promise. Though everyone knows that the governorship is a most pressure-packed office to uphold, the many problems faced by the governor can be met and dealt with more effectively through persistent patience, rather than selfish arrogance.

## E.T. INVADES EARTH

by Charla Modisette

Early this summer a new movie hit the screens. When it first came out no one knew what kind of impact it would have. It was called *E.T. (The Extra Terrestrial)*. *E.T.* became the top grossing movie of all time surpassing even *Star Wars* and *Jaws*.

It came to the theaters in June of 1982 and, by early July, *E.T.* became a household word. This blockbuster movie was directed by Steven Spielberg, who is one of the best directors of all time having such hits as *Jaws*, *Close Encounters*, *Raiders of the Lost Ark*, and *Poltergeist*.

The movie stars Henry Thomas as

Elliot, a little boy who discovers an alien living in his tool shed. He then hides the alien in his room until he can figure out what to do with him. His brother and sister, played by Robert McNaughton and Drew Barrymore, are the first to discover *E.T.* living with Elliot. The three try to teach the little alien about earth and how to talk. They finally succeed and *E.T.* learns how to talk. They learn that *E.T.* wants to call his people to come and get him and the phrase "*E.T. phone home*" was created. In his attempts to call home *E.T.* gets sick and starts to die. Elliot's mother, played by Dee Wallace, finally finds out about

*E.T.* The government also finds out and totally isolates their house. They try to save *E.T.* but fail. When Elliot is left alone to say goodbye to *E.T.* he discovers that he is still alive. Elliot, his brother, and some friends kidnap *E.T.* and take him to the forest where a spaceship is waiting to take *E.T.* home.

This movie grossed over 300 million dollars and is still going strong. It has been nominated for 9 Oscars and 3 Grammy Awards. This movie also has produced a countless number of toys and games. *E.T.* is sure to be one of the best movies of all time.

# WHAT HAPPENED TO MONDAY NIGHT FOOTBALL?

by Angela Fields

"Wow! Dad was up all night complaining about the boring movie that was on instead of the football game." In September, the football players walked out, leaving thousands of people sitting and staring blankly at the TV. The pro football strike had a dramatic impact. Union leaders attempted to stir emotion with some name calling, and management offered hints that the union's solidarity could be damaged beyond repair. Feelings of frustration left dedicated fans condemned to a weekend of televised Super Bowl reruns, Canadian football, or the unexpected company of family and friends.

In the hopes that they could resume the real thing on short notice after a settlement, most of the players held organized workouts of their own, some began informal drills at high schools and on hillsides to stay fit or to stay together.

Most of the NFL's wealth and worries flow from television, and the strike represented a crisis for both industries. Each network had a different plan to try to hold on to the audience: ABC showed movies, CBS reran games from last season, and NBC reprised the Canadian Football League.

After a long delay — eight weeks — the NFL returned to action Sunday, November 21, 1982. The bitterness of the strike was forgotten temporarily as attention shifted to payoff and playoff. But what about the fans? In Buffalo the fans turned their backs on pro football. A crowd of only 52,945 showed up in 80,020-seat Rich Stadium to watch the Dolphins vs. the Bills. But everything seemed to be back to normal when it was time for the Super Bowl. *Back on the Road Again* would be an appropriate theme song for the resumed play of professional football.

## NEW WAVE HITS DALLAS

by Don Vail

New Wave music has finally come of age in Dallas. New Wave is a descendant of Punk Rock, but considerably more passive. While this music form was popular in the late 70's in New York and California, it did not come to its prime in Dallas until late 1982.

The music itself is loosely defined. Some have called it "modern rock." Others say that it is merely rehashing the music of the fifties and sixties with new electronic technique. People even dispute whether some groups are classified under New Wave or not. In any event, there are some songs that can only be called "New Wave."

Since the music first appeared, eager

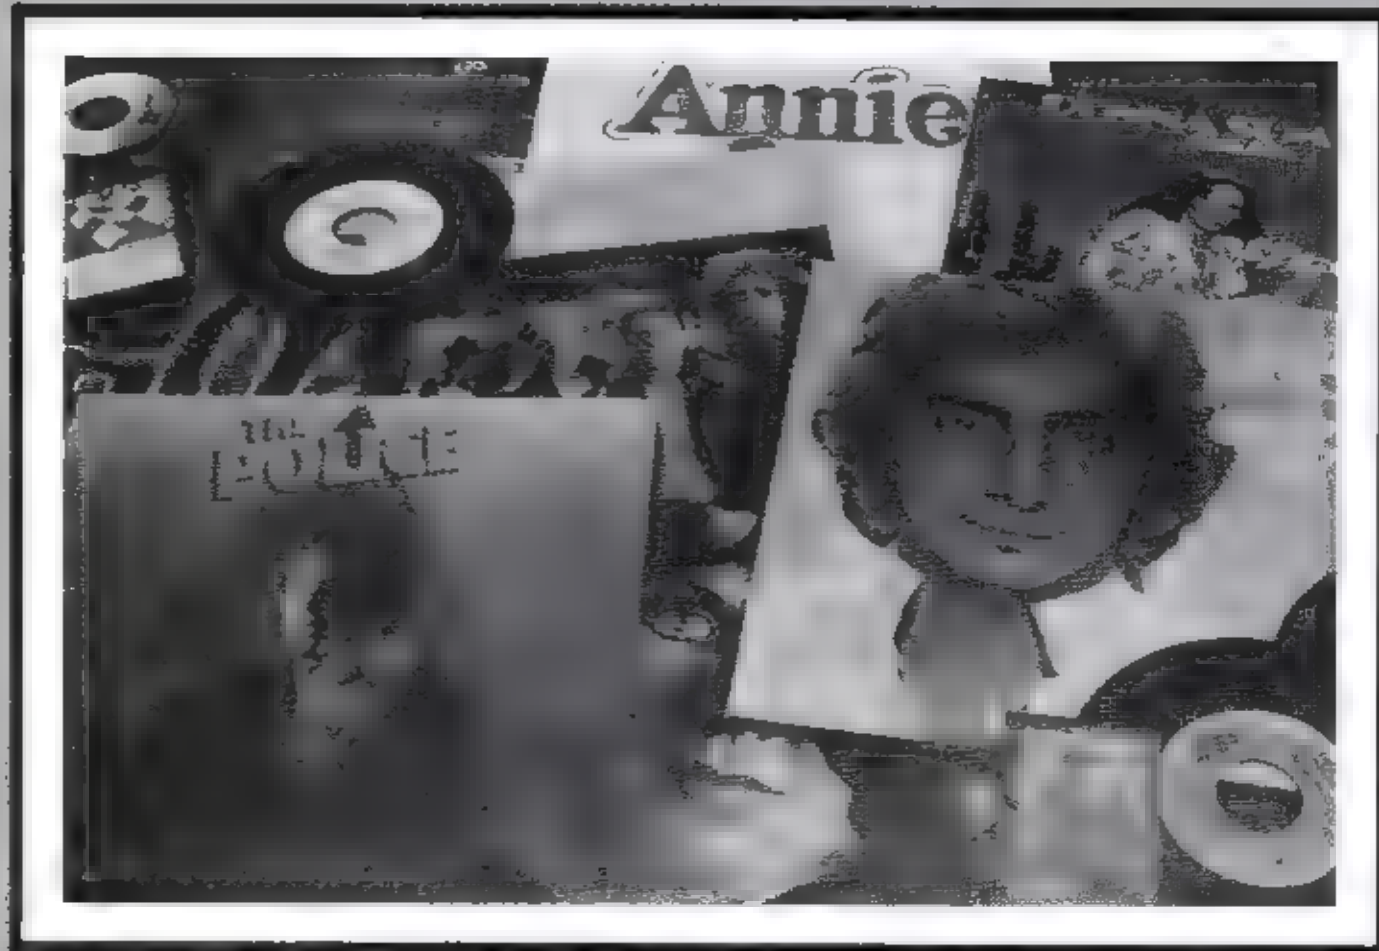

Dallas patrons had to find the music through record stores or the occasional specialized club. This was the limit to the music experience in the metroplex.

In the late 70's, the album rock station KZEW began a program late on Sunday nights that featured "alternative music." This sated the tastes of modern music lovers for a while. It was not enough however, and hopes soon flared when Dallas contracted with Warner Annex to install cable television in homes. With cable came MTV, a station entirely devoted to presenting music videos. MTV promoted New Wave music and interests grew.

The final step in the acceptance of this music form came when a rock-based radio station changed format and began playing "Rock of the 80's." This step brought New Wave music to anybody that had an FM radio. Popularity spread and many New Wave songs became as commonly known as their rock predecessors.

The impact of New Wave music has been great, and even commercial television stations are presenting MTV clones. Clothes, makeup, haircuts, and jewelry have been geared to the New Wave look. New Wave, it seems, has been accepted everywhere.

# STUDENTS PUT IN LONG HOURS AFTER SCHOOL

While many Kimball students participate in extracurricular school activities, the majority of the students prefer to hold part-time jobs in order to pay for cars, activities, or college. In these hard economic times, some students are forced to work to break even. This page serves to salute these students who work not by choice, but by necessity.

# HOMECOMING SHINES FOR THE KNIGHTS

Homecoming 1983 was as spectacular as any one in the past. Legends and lasting traditions of the past are what we build our future upon. One Kimball tradition was continued by the trouncing of the Sunset Bisons by the score of 35-0. Lisa Riddle was selected Homecoming Queen and she was accompanied by Eric Staton the Homecoming King. Their court was graced by Dawn Baker, Doug Hankins, Kimberly Barnes, Calvin Holley, Kim Burks, Victor McGlothin, Stacy Lesley, and Doug Woodward.

# FANTASY FACTORY LEAVES KIMBALL SPEECHLESS

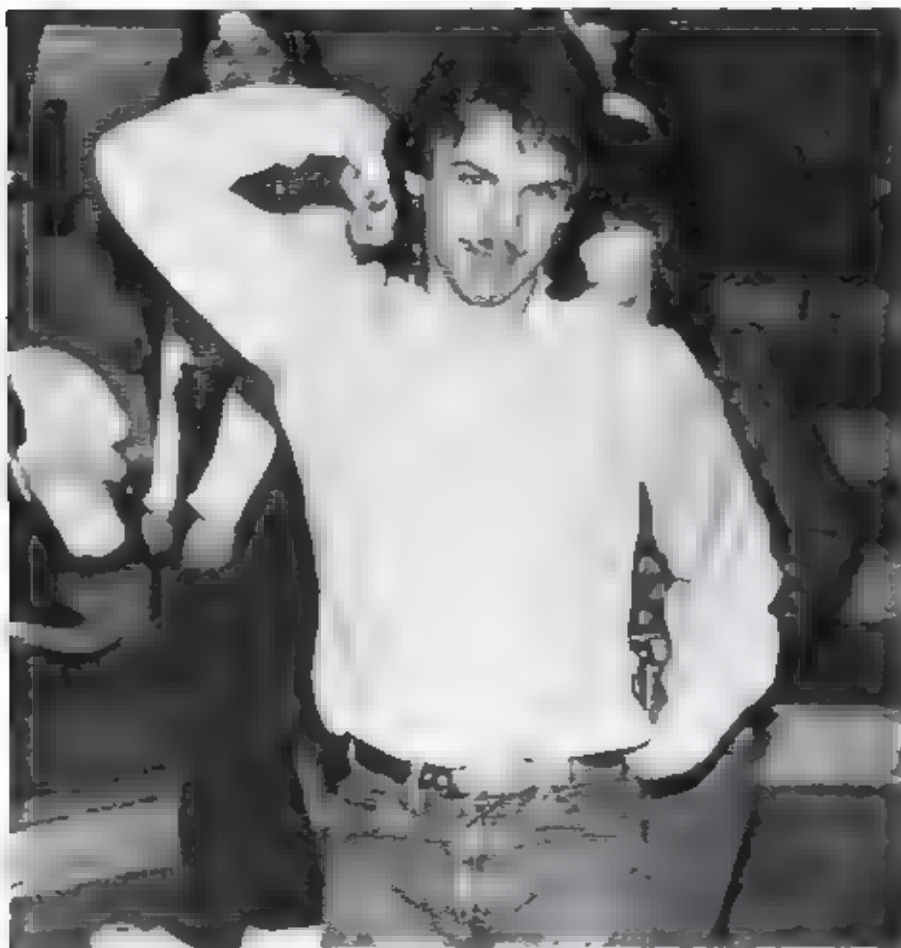

The Kimball Fantasy Factory is a mime troupe for exceptional students who have shown outstanding abilities in Theatre Arts I. Not only must they learn how to apply their own make-up, but they must also create and perform their own individual mimes before an audience. They write and perform their own original mini-musical. The Fantasy Factory has made many appearances at Daniel Webster Elementary School this year. They performed with the Student Council at the Scottish Rite Hospital for Crippled Children in a special Christmas performance. They were also chosen over all the other schools in the DISD to perform in the Annual Old City Park Candlelight Christmas Celebration.

Ms. Brenda Prothro, the troupe sponsor, says: "It's a unique experience for most of the students. They are not just performing in a classroom for each other, but they get out and perform for an audience, giving them a chance to show their talents. It also allows younger students a chance to see an excellent performance they might usually not have a chance to watch."

Robin Clifford, a first year member, has this to say about the Fantasy Factory: "To just see the kids clapping, laughing, smiling, and enjoying themselves while we perform is reward enough for all the hard work, dedication, and love we try to put into each and every performance."

## THE MANY FACES OF KIMBALL

## ARKANSAW BEAR DEPICTS GRISLY SUBJECT

The Drama department's first offering of the year, "The Arkansaw Bear," attracted large audiences of youngsters. The play—a touching fantasy of a small girl who learns the meaning of death — was geared to these young people. This was a first for Kimball.

Ms. Prothro said she chose the play because its message was universal for both the young and old. "Children should be allowed to think about death in a realistic way. It need not be so frightening."

The auditions were held early in the year, and the turnout was exceptional. The members of cast and crew were open to the entire school. Those that made it spent long hours constructing sets, designing costumes and memorizing lines. All of the hard work paid off on Oct. 15 and 16 with a warm response from the audience.

# THEATRE PRODUCTION PRODUCES PLAYS

1

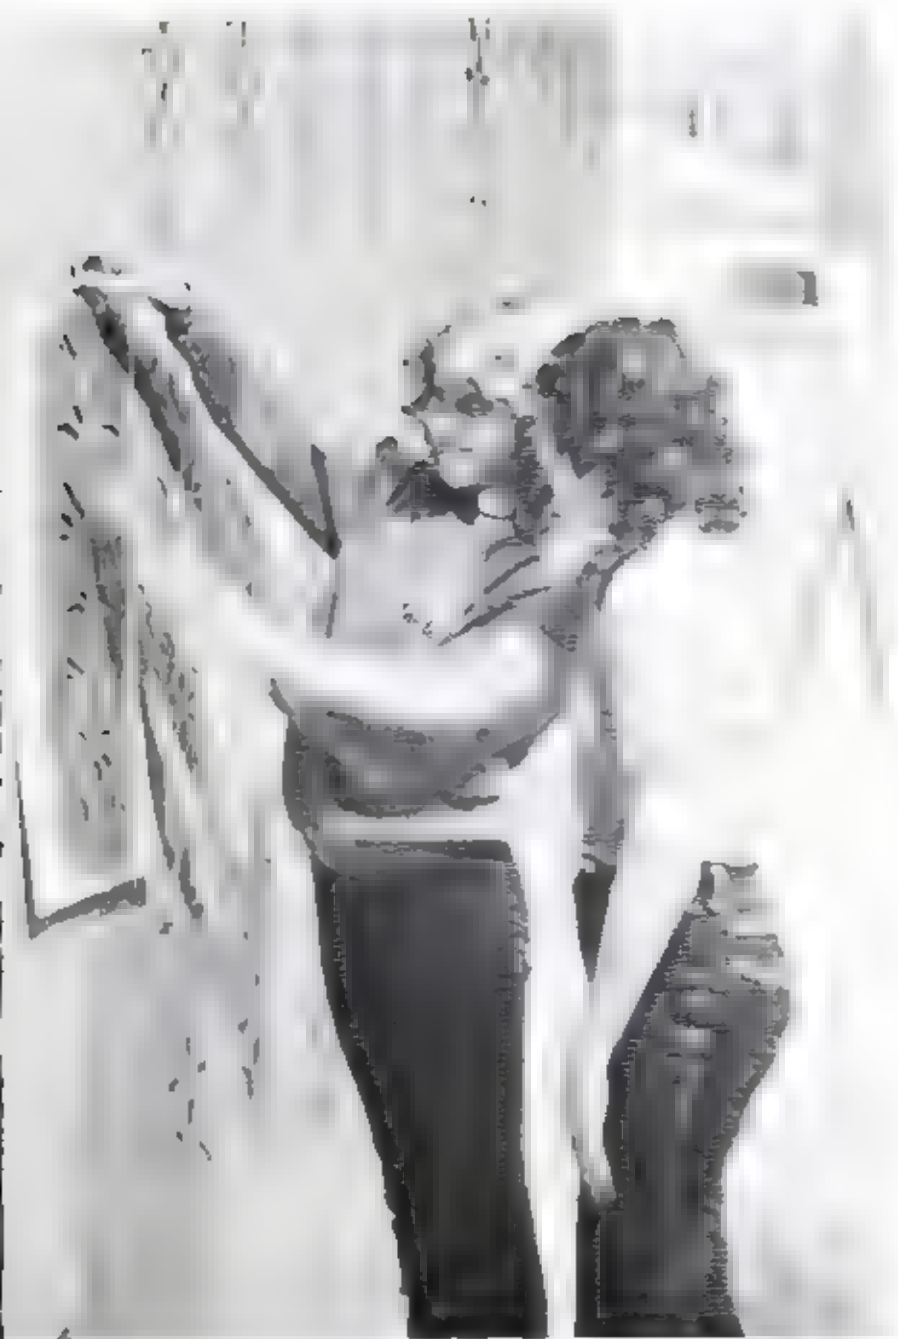

Theatre Production is a class new to Kimball this year, being instigated into the DISD curriculum this fall. Theatre Production deals with the other aspects of theatre other than acting. Advanced techniques in makeup application, direction, production, stage crew and scenery designing are taught to students wanting to know what goes on behind the scenes of a play. Much of their talents have been exhibited in the school's two plays, "The Arkansaw Bear" required the building of a large tree and many intricate costumes. A house with an early 1900's theme and aging of actors were the results of laborious work by many people to make the presentation of "Look Homeward Angel" possible.

"Theatre Production taught us that there is more to plays than just acting," said Angela McDonald.

## ROTC CADETS GIG

1

The highlight of the ROTC year, the Military Ball, was held on January 28 at the Knights of Columbus Hall. Julie Brogdon was crowned Battalion Sweetheart, escorted by Scott Harris. Once again, entertainment was provided by the Kimball Knight Beats, directed by Bud Wis. The main purpose of the Military Ball is to provide a chance for all ROTC members to get together and enjoy themselves. Among the many parents and honored guests were Dr. Thornton and his wife.

4. Nora Perez, is introduced to Sgt. Aston in the reception line.
5. The Honor Guard prepares for the arrival of the Sweethearts.

## PLAY FOCUSES ON BOARDING HOUSE LIFE

"Look Homeward Angel," the second all-school play, was one of the more dramatic tear-jerkers. The play had several distinctly different subplots that were woven together with mature acting. Some excellently performed scenes included explosive dramatics which not only showed anger and rebellion, but a little bit of love at the same time. The story presented Eugene Gant (Troy Boris) in his attempt to free himself from the Dixieland Boarding house and his overprotective mother Eliza (Angie McDonald) to fulfill his dreams. His brother Ben (Mark Ragan), who is dying from lung troubles is "carrying on" with Ms. Marie "Fatty" Pert (Jennifer Chambers) despite the wishes of his mother. In the end, Eliza finds out that she must let go of her son, and he sets out to find the world.

## STRAYS GATHER AT THE "CAT'S MEOW"

The Justin F. Kimball Creative Arts Department presented the Cat's Meow II — a collection of fine talent selected from members of drama, chorus, orchestra, and band. The show was directed by Ms. Prothro and Mr. Atherton. The orchestra was directed by Mr. Davenport and the Knight Beats were directed by Mr. Wis.

Featured this year was "Tubby the Tuba," a solo by George Cantrell and a dramatization of a classroom by Kimball's Fantasy Factory.

# VIDEO INTERFACE ENCOURAGES PROGRAMMING

Video Interface, the computer club, is the newest organization at Kimball. It was formed the second semester, but it immediately swelled to 45 members. The main purpose of the club was to promote interest not only in the computer but to allow for the creation of individual programs such as video games. The club competed in various competitions and had a booth at the World's Fair with various original video games for students to try their hand.

"It's already an active club. Apparently there is a lot of interest in it here at Kimball," said President Don Vail.

# WHIZ QUIZ TEAM STUNS KIMBALL

5

In 1982-83, the Whiz Quiz team had within its ranks an enormity of little known and famous facts. Whiz Quiz is billed as "a battle of the brains" between metroplex high schools in such areas as Math, English, Ancient and Modern History, Classical Music and Composers, Sports and Current events. Kimball has the smallest team in the area with 6 members, but has scored victories over major rivals such as Duncanville. They defeated Carter 240-95 on the radio version, and on January 2, defeated Bryan Adams 240-145 on the television program to advance to the third round of the tournament against Skyline.

# AHH! THE JOYS OF SCHOOL!

1

While some people seem to dread school so much that they are willing to cheat, lie, and skip, all students must admit that school still holds certain undeniable joys. From the wee morning hours to the late afternoon, students are constantly experiencing the intense happiness of school.

Early in the morning students get to enjoy the fears of tardiness. This treat is especially strong this year, since Kimball is blessed with the new tardy policy.

Another joy is to share our locker with a veritable community of friends. Yes, not just one or two, but sometimes four or five. Overcrowded lockers are a pleasure almost everyone enjoys.

Classwork, too, is an experience not to be missed. Teachers are kind enough to give us homework every night, and that is in addition to our normal work. Sure, this is sometimes hard on the student that has to work or sleep, but the sheer fun of homework is not to be missed by any.

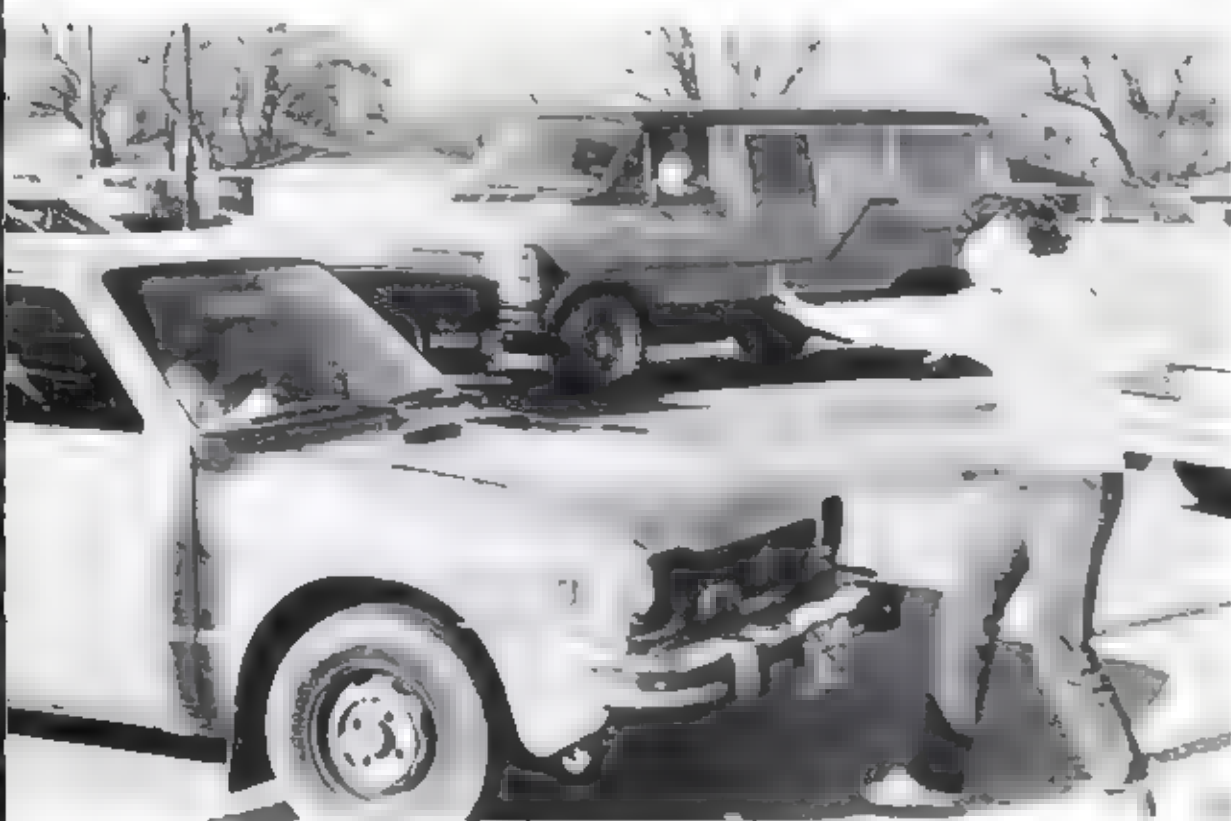

In so many ways, school is made a heaven of happiness. Gee, we sure are lucky!

2

1. Car trouble was a gripping terror to every Kimball student.
2. Locker-sharing by two, three, or even more people often left no room for books.
3. Many students were late to school because they had to give their friends a lift.
4. No matter how difficult the assignments, students showed enthusiasm and diligence in their work.
5. A Kimball student is casually run down by a careless friend.

## THEY GOT THE BEAT.

Not long after school was out for summer vacation, the Marching Band began their long hours of preparation for the 1982-83 season. Mr. Wis introduced the new members to the rigors of band practice. He also sought to improve the technique of veteran band members. This year's drum majors were Teressa Jones and Brian Tinsley. Color Guard Captain was Julie Cunningham.

At the Jesuit football game the band had their first opportunity to show all the practice was worthwhile. On October 11, Mr. Wis took the 142 band members to the Cotton Bowl to view the Parade of Champions.

Mr. Wis said "Viewing other

bands was a step toward improvement, it made the band raise their goals and work harder. In the latter part of October, the band really worked up to their ability. The support of the parents and the administration is the main reason why."

On October 29, they arrived in Houston for a three-day weekend to compete in the Marching Bands of America Contest. They gained the experience and the feeling of competition.

Mr. Wis stated, "The most important thing I expect is for the band to always try to improve."

## COLOR GUARD

The Kimball flag corps and rifles, the largest Color Guard in Dallas, began practicing their strenuous routines even before school started this year. Their performances at football games, UIL, and MBA at Houston showed that their hard work payed off. Of the 8 rifles and 24 flags, Captain Julie Cunningham says, "This year has been a year of growth for the Color Guard. In addition to our expansion in size, we've grown together — becoming closer to each other."

1. To the music of "Rhapsody in Blue" the Marching Band and Color Guard perform with expert precision at the Roosevelt game.

## BEST LITTLE DRILL TEAM IN TEXAS

Hard work and long hours characterize the 1982 Troubadears. Since only five of the thirty-three Troubs had previous experience, they made up for lost time by diligent practice and dedication. Camp was held for the officers at Drill Team Officers Training College during the summer in Houston. The officers also attended a camp at SMU where the officers concentrated on leadership abilities. Former Troub Captain Kim Martin led the rest of the Troubs in a summer camp at Kimball.

Two weeks before school started, the entire drill team began practicing every day. When school began, the Troubs continued their rigorous rehearsal. The Troubs' day began at 7:30 a.m. and did not end until

5:00 p.m. The only break in this schedule was on game days, so they could be ready for the game's performance.

All of their hard work paid off by the numerous awards and honors they received. Captain Debie Burns, Miss Drill Team North Texas and winner of the "Top of the World Girl" title, represented Kimball and Texas for the national title of Miss Drill Team USA. Junior Lieutenant Bobbie Martin won the title of "Miss Drill Team" at the camp in Houston. The Troubs as a whole won first place in the Dr. Pepper Invitational Drill Team Contest, marched with the SMU Mustang Band in the SMU Homecoming Parade, and won over thirty ribbons in camp. But most important, the good taste and unique style of

the Troubs won them first place in the 1982 Homecoming Hall Decoration Contest.

A new addition to the Troubs were "The Grips" — a hard-working group of guys ready to help with any odd jobs. Also, the Troubs expanded by opening their tryouts to the freshman girls. Dianne Everett, six year sponsor of the Troubadears, said, "I am extremely pleased with and proud of this years Troubs. At first I was worried about their performances, since twenty-eight members were new to the line. But the girls came through and did a great job. Some people were concerned about the freshmen being able to tryout. But as sophomores, they are some of the best members."

## CHEERLEADERS CHEER ON THE WINNING TEAM

Well before the beginning of school, in the cruel heat of summer, Kimball's Varsity Cheerleaders were practicing their cheers and stunts in preparation for this year's football season. The squad spent the last week of July at the National Cheerleader Association training camp, which was held at SMU. Polishing old cheers and learning new ones, the cheerleader's excitement and enthusiasm began to build. As football season rolled around the squad was well-prepared and eager to begin cheering at pep assemblies and games.

Not only did the cheerleaders serve as a catalyst for school spirit by cheering, their banners, signs, and spirit decorations proved to be an asset in the promotion of the student body's enthusiasm.

Leading the pep assemblies and assisting the cheerleaders was Pedro Fernandez — the 1982-83 Sir Justin. He aided the squad in their stunts during practice, which allowed him to make this observation: "Working with the girls was fun, but it made me realize how much the cheerleaders work before the actual games."

# J.V. CHEERLEADERS CREATE SPIRIT

The Junior Varsity Cheerleaders promoted school spirit and encouraged students to attend Freshman and Junior Varsity athletic events. They assisted the Varsity Cheerleaders at pep assemblies, which established a good relationship between the Varsity and Junior Varsity Cheerleaders. The cheerleaders sponsor, Mrs. Estell, said, "The J.V. Cheerleaders will continue their excellence next year on the Varsity squad because they work well as a unit."

Along with juniors, sophomores were allowed to be J.V. Cheerleaders. Despite early skepticism, the sophomores were an asset to the squad.

## RED AND BLUE COLORS KIMBALL

Kimball's S.O.S., the utmost in spirit organizations, continued their zany antics and spirited encouragement again this year. Providing a sense of enthusiasm for every pep assembly, the S.O.S. Men and Women were never without constant noise and action. Their consistent participation on all dress-up days displayed their undying spirit. The S.O.S. Men's Sponsor was Mr. Timpa. The S.O.S. Women were under the capable leadership of Mrs. Durbin. Mr. Timpa, commenting on the spirit of S.O.S., said:

"Although they try their limits, the S.O.S. is an essential and vital part of the pep assemblies and the Kimball tradition."

# KNIGHT BEATS EXCEL

Kimball's number one stage band, better known as the Knight Beats, enjoyed another great year. The Knight Beats have been a vital part of the school since its inception 25 years ago. The Knight Beats perform in concerts and community events throughout the year. In the last year, the Knight Beats have performed at the Oak Cliff Chamber of Commerce Awards banquet and at the Dallas premiere of the movie "Annie."

This school year the Knight Beats gave a fall concert and assemblies. The group has also been busy preparing for jazz festivals and a spring trip.

# NEW TYME CONTINUES TRADITION

2

In the continuing tradition of quality entertainment, the Kimball New Tyme Singers enjoyed another successful year. For the entire 25 years of Kimball's existence the New Tyme Singers have performed at PTA meetings, Christmas programs, various malls, and civic organizations such as the Oak Cliff Lion's Club.

The New Tyme Singers began as an extra-curricular activity for a select group of Seniors. It now includes both Seniors and Juniors. The group rehearsed every day during second period. Included in their performances this year were songs such as

"Hard To Say I'm Sorry", "Rhythm of Life", "Through the Years", "Mountain Music", and numerous others. The traditional "New Tyme Song," and "California Dreamin'" were also included.

The sponser, Mr. Atherton, praised the group for their efforts: "The New Tyme Singers represent some of the best talent in the school. The members have always been a joy to work with." Jeff Borders, a member of the group, added, "The New Tyme Singers are a tradition in excellence that hold true to Kimball's motto, "We Always Seek The Best."

## CHOIR ENJOYS SUCCESSFUL YEAR

The three choirs, Choral Union, Choraliers, Chorale, and New Tymes, under the direction of Mr. Atherton, had a very successful year.

"The Chorale received a rating of "1" last year and we are going out for another one this year," says Mr. Atherton. He also adds that the choir has a fine blend and continues to be an enjoyable organization to get in to.

He encourages all students to become a part of this organization. "They want to have fun which is only part of it. The choir is one of the few electives that allows an outlet for every student who joins," concluded Atherton.

# F.T.A. SERVES KIMBALL AND COMMUNITY

Future Teachers of America is one of the school's many service organizations. They have had many activities to help others including giving a Thanksgiving and Christmas dinner to a needy family, sending Santa Grams to "A" honor roll students, and giving apples to teachers during American Education Week. Many members attend the district conferences in Dallas each year. This year's state convention was held in Dallas. The members learned advanced leadership training while they spent two days in the luxurious Hyatt Regency.

Officers are Monica Beavers (President), Wendy Rucker (Vice-President), Tina Phillips (Secretary), Casandra DeGraffenreid (Treasurer), Angelia Beavers (Historian), and sponsors are Ms. Malone and Ms. Hodges.

# THE NEW FRENCH CLUB — ENTRE NOUS

Entre Nous was a new club to Kimball this year. In the past, we have had A Jamais — The French National Honor Society. The club is open to French students.

Among their activities this year, they sold candy to raise money for T-shirts. Officers were: President — Patty Hamilton, Vice President — Bobbie Martin, and Secretary — Melissa Garvin. Their sponsor — Mrs. Zimmerman was also new to Kimball this year.

Angela Fields commented, "Even though we are not a very large club, we are full of spirit and enthusiasm."

This year's sophomore steering committee was a really energetic group. They won 2nd place in the spirit chain competition. Their many fundraisers included selling Valograms, Easter bunnies, nachos, Kimball pennants, cookies, and candy.

Officers this year were: President — Pam Frette, Vice President — Ann Stewart, Secretary — Cynthia Williams, and Activities Chairman — Melinda Barnes.

## ROTC GAINS

Determination. Perseverance. True Kimball Pride, The Junior Reserve Officers Training Corps, or ROTC for short, personifies these words. For 25 years, this large organization has excelled in keeping alive the discipline and order that has long been a tradition. Cadets and officers alike maintain their order by holding practice parades. The cadets go to the practice grounds to prepare for AFI, or the Annual Federal Inspection.

The backbone of the military department is the Royal Lancors. This year at South Zone they placed first in Fancy Drill, Basic, Inspection and first in overall competition. Basic, Inspection and first in overall competition. Commander Joe Fritz received the best commander award. "I feel that ROTC is a great organization because you progress in being a better citizen," said Brian Banks.

## STAFF PRODUCES AWARD-WINNING ANNUAL

Kimball's *Excalibur* staff, the small group of students who work long and diligent hours in order to prepare the best yearbook possible, continued in the Kimball tradition of compiling words and pictures to form one of the best yearbooks in the city. The year began early for the staff as the editors attended the yearbook workshop at SMU. The editors received a trophy for "Best All-Around Design" — one of only five schools to

receive such an award out of over 60 schools. The training continued as Julie Cunningham, Editor-in-Chief of this year's book, led a training seminar, for all staff members, many of whom having never met each other previously. They formed unique relationships and shaped a staff with much talent and potential.

The *Excalibur* staff worked long hours, sometimes staying

late into the night, in order to meet publication deadlines. The dedication of several staff members was the catalyst for the development of Kimball's great yearbook. Julie Cunningham stated, "Many of the staff members handled their responsibilities well. Their dedication and hard work paid off as they created one of the best yearbooks in Kimball's history."

1. The Annual Staff was a family of diversified personalities. The pressure of meeting deadlines could only be remedied by an occasional break from reality. With constant jokes, puns, and imitations they entertained themselves through rough school days that lasted till 10:00 at night. The annual Staff worked hard, played hard, and produced a book worth remembering. Front Row: Angela Fields, Adam Nance, Ann Stewart, Tonya Washington, Susan Hollis, and Becky Rios. Back Row: Charla Modisette, Don Vail, Theresa Redmond, Olga Acevedo, Melinda Barnes, Julie Cunningham, and Brian Tinsley.

# KNIGHT LIFE PRESSES FOR SUCCESS

The school newspaper, Knight Life has been immensely popular, but has relatively few sales this year. People have wanted to read the paper, but have become tight when it comes to paying the 25 cents for one. Knight Life has some wonderfully written articles and some outstanding editorials touching on critical issues such as asbestos on the ceilings of DISD schools. Another great article was whether or not students should be allowed to leave campus for lunch.

Knight Life gives Journalism II and III students a chance to design and produce their own newspaper. To help the students better their journalistic abilities, they attended workshops sponsored by the Dallas Times Herald and S.M.U. this year.

"I enjoy journalism and working with the students on the paper, however we need more students to put out more papers," said Ms. Durbin.

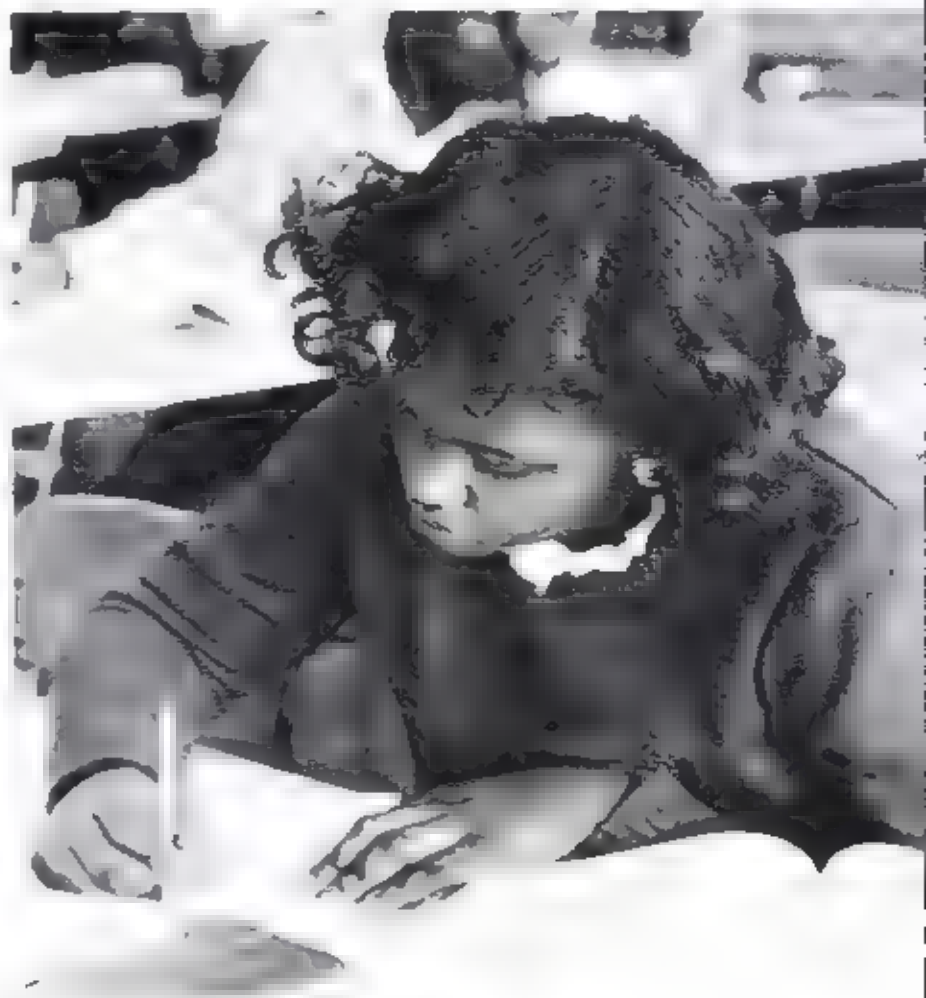

Officers are Paula Hogan (Editor in Chief), Annmarie Casey (News Editor), Karen Bjerke (Feature Editor), Robert Armendarez (Entertainment Editor), Annette Hancock (Sports Editor), and Ms. Conni Durbin (Sponsor).

# MAGAZINE PROMOTES ORIGINALITY

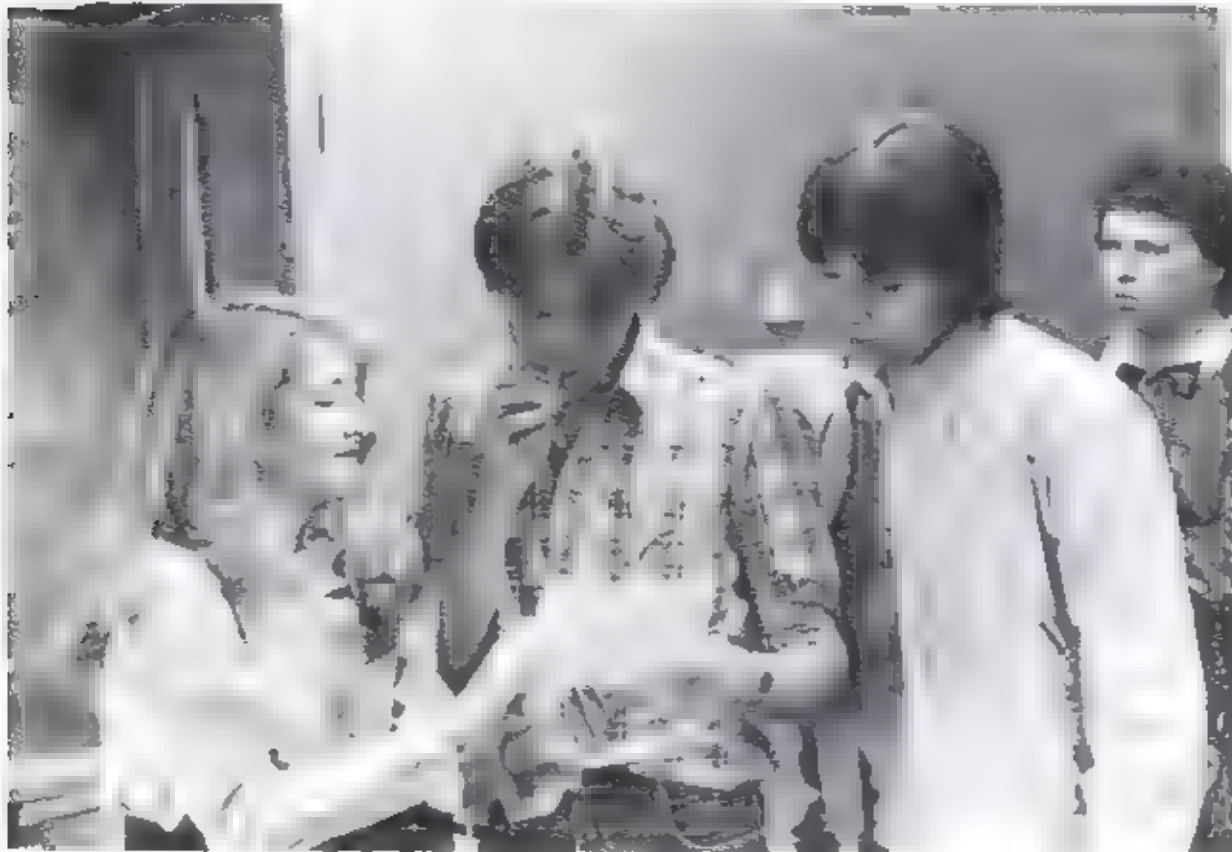

*Idylls From the Tower*, Kimball's literary magazine, created a new look and style this year. Under the leadership of Mrs. Morriss, the staff spent hard hours grading entries, deciding on format, and doing paste-ups.

The theme was "Life: past, present, and future," and the price was \$4.50. The staff sold candy to keep the price down.

Editor-in-chief Allison Smith said, "This year we wanted a magazine that presented life more realistically. We didn't want it sugar-sweet, because life isn't all purple sunsets."

## WIND ENSEMBLE: A NOTE-WORTHY GROUP

1

2

3

The Wind Ensemble is a select group of thirty-five musicians. The main goal of the group has been to prepare and perfect various forms of band literature. Some of the contests they participated in are DISD Band Evaluation, April, 1983, UIL, April 20, 1983, Spring Concert and Awards Ceremony May 16, along with Cluster Concert. They participated in Solo-Ensemble Contest last year and two students made All-State. Every year, numerous students make all-city and all-region band. Wind Ensemble starts after the Marching Band season is completed, and continues throughout the rest of the year. The Wind Ensemble is always one of the top rated concert organizations in Dallas.

4

# CONCERT BAND EXPANDS

5

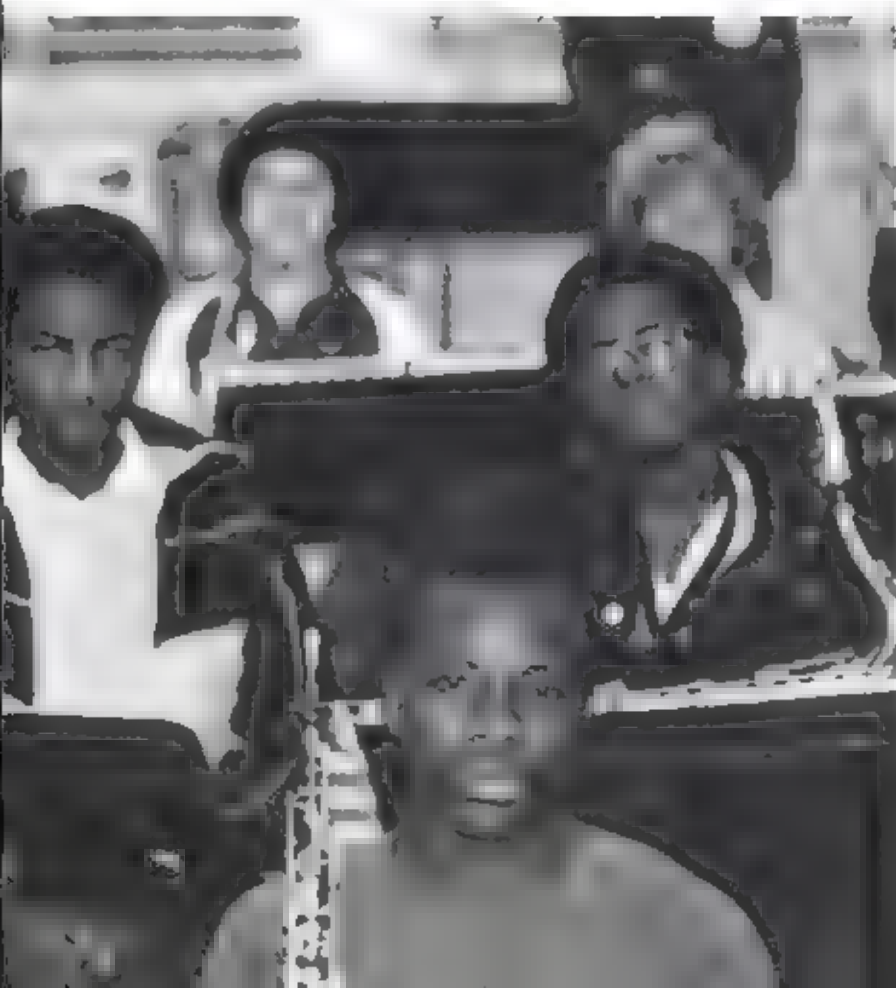

Unlike the majority of other DISD schools, Kimball's Concert Band is large enough to have a second concert organization. Although the Concert Band is a trained group, it is a highly accomplished group in its own right. The Concert Band annually outperforms the majority of other Dallas High School Bands.

# FHA

The Future Homemakers of America strive to do their part in promoting a growing appreciation for the satisfactions of homemaking. FHA's main purpose is to help individuals improve personal, family, and community living.

The FHA members conducted many service projects for the community this year such as visiting patients in nursing homes and giving Christmas presents to needy children. They also kept active by attending area, state, and national meetings, and workshops featuring different speakers on such topics as teenage pregnancy, birth defects, and careers in homemaking. As an added bonus, a \$500 scholarship is awarded to a graduating senior who plans to pursue a career in homemaking.

The most honored and respected organization in the school is the National Honor Society. This group has been chosen by the faculty on the basis of their achievement in four categories: Service, Leadership, Character, and Scholarship. There are two NHS inductions during the school year. In the fall, a Senior induction is held. In the spring, Juniors are inducted in order to continue the organization into the next year. Officers are elected from this group of Juniors.

The National Honor Society holds several fund-raising drives during the year to pay for inductions fees and to sponsor a Korean orphan. Officers for the 1982-83 year were Brian Tinsley — President, Leslie Garrett — Vice President, Judi Ross — Secretary, and Diane Baker — Treasurer. Sponsors for NHS are Mrs. Woodson and Mr. Gibson.

## SCIENCE CLUB CONTINUES TRADITION

1

This year, the Science Club was under the guidance of a new sponsor, Mr. Washington. Under his infinite wisdom, many new ideas were presented to them, such as the trip to the Museum of Natural History at Fair Park. Although many new thoughts were presented to the Science Club, they didn't neglect the old traditions, such as the Haunted House, bake sales, and the ever popular, candy sales.

## THESPIANS ACT NATURAL

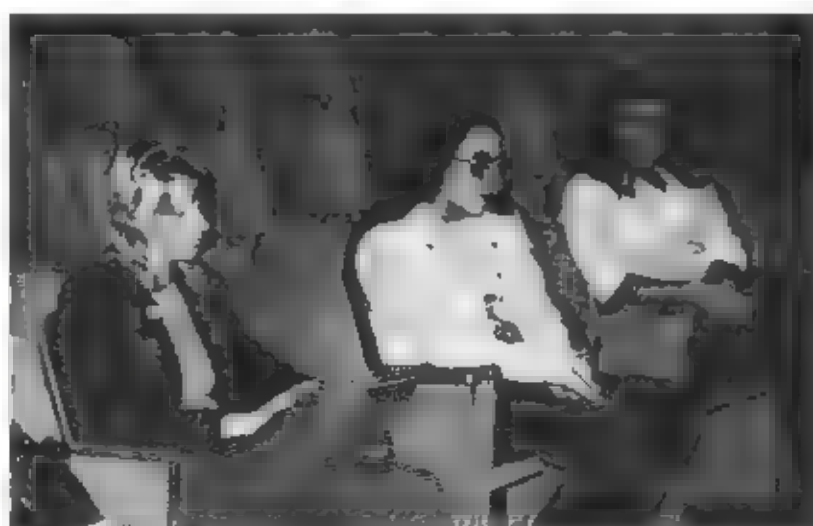

The International Thespian Society is an educational organization which aims to establish and advance standards of excellence in all phases of theatre arts, and which aims to create an active and intelligent interest in theatre arts in high schools.

The focus of the society has always been on the student — his achievement, his involvement, and the betterment of his education in theatre arts. Thespian membership is granted for the performance of meritorious work in theatre arts which meets the general guidelines of the society.

To become eligible for mem-

bership, a person must accumulate 10 points through participation in at least two of the following areas: acting, directing, producing, business, writing, and stage crew. But this is not as easy as it seems as 1 point is equal to 10 hours of hard work.

The Thespians have dominated the casts of the first two plays of this year, and will gain many new members through the other fine actors from these performances. They held numerous parties and had then initiation at Carusos. They planned to have another initiation this spring.

## SENIOR STEERING COMMITTEE SUCCEEDS

The Senior Steering Committee for 1983 planned numerous activities throughout the year. This year, in addition to fundraising events, the Seniors worked for increased participation. In the final analysis, the Seniors had one of their more active years. The sponsors, Mr. Timpa, Ms. Carter, Ms. Strowenjans, Ms. Malone and Ms. Holcomb, assisted the Seniors with unselfish dedication.

## JR. STEERING COMMITTEE — CLASS WITH CLASS

1. Leslie Garrett laughs with Doug Hankins as he tells of previous fund-raisers.
2. Blaine Howard listens to suggestions for the Homecoming hall.
3. Mrs. Holcomb talks with the Senior Steering Committee.
4. Calvin Holley sits quietly as the Student Council gives tips to the Junior Steering Committee.
5. Tonya Washington listens to Mr. Pierce as Stephanie Lennon takes notes.
6. Judy Marez and Shari Simpson look at samples for the upcoming pin sale.
7. Lana Garcia laughs at Mr. Pierce's joke.

The Junior Steering Committee grew tremendously this year. Through applications and interviews, the class sponsors, Mrs. Estell and Mr. Pierce, carefully chose each member. The steering committee participated in several fund raising activities such as candy sales and bake sales in order to raise money for the many senior activities next year.

# STUDENT COUNCIL ORGANIZES SCHOOL

One of the most active and student-oriented organizations at Kimball has consistently been Student Council. The Council sponsored many school functions such as Homecoming week, Valentines Dance, Favorites Elections, Worlds Fair, and others. To be in Student Council, you need at least one year of Leadership I which helps develop leadership qualities.

The Student Council is under the leadership of Leslie Garrett, President; Roma Smith, Vice-President; Catha Thompson, Secretary; and Yvonne Holguin, Treasurer. The sponsor is Ms. Pena.

Throughout the past 25 years, many people have passed through the halls of Kimball. Several graduates of other Senior classes have found their way back to Kimball — serving as teachers, office workers, and parents. Others have gone on to other things, but they still find time to support their alma mater. With this portfolio, the EXCALIBUR staff would like to thank these people who have helped in the shaping of our school.

## Just Good Old Fun

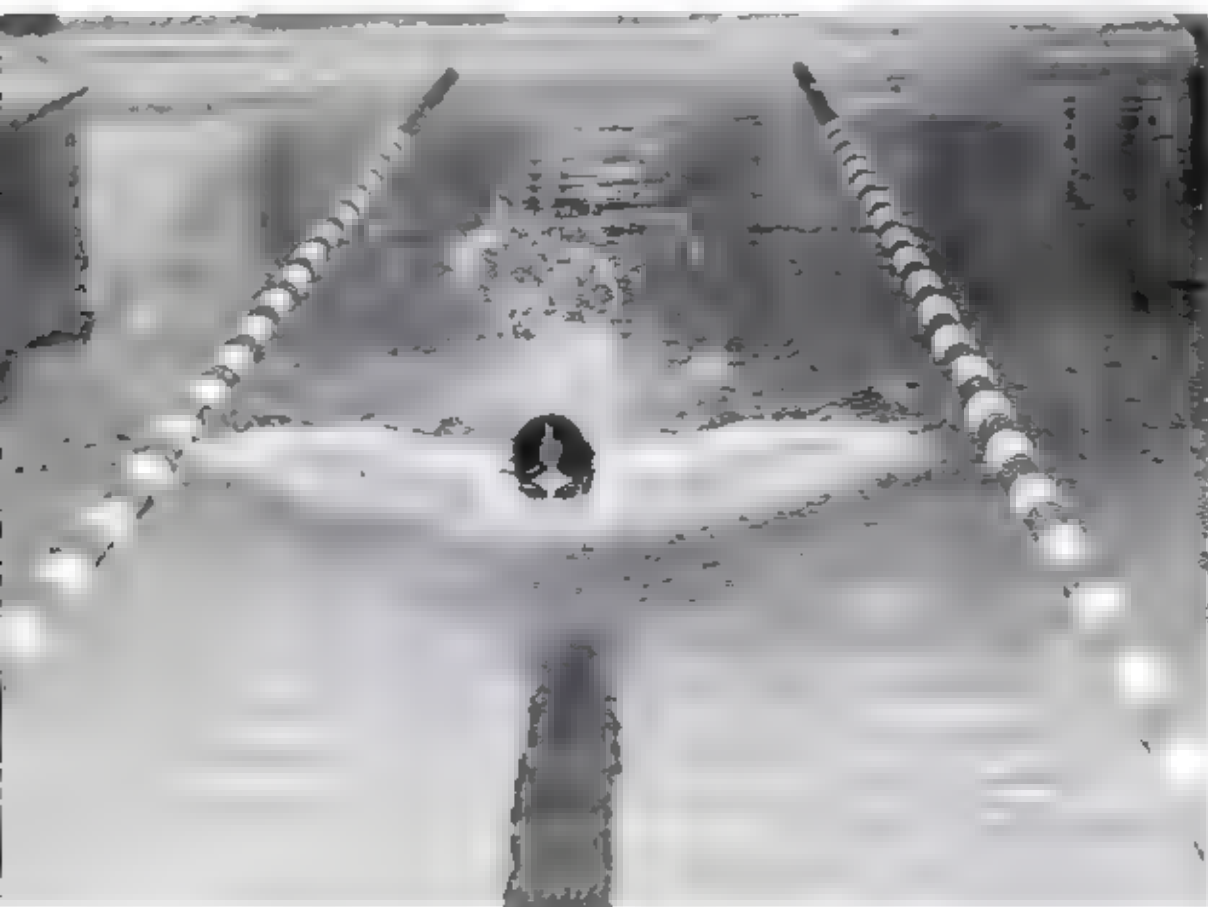

Playing sports can take a lot out of a person, but when you enjoy what you are doing, its just plain fun. Many young athletes in high school try to get physically fit through the enjoyment of sports. Some of them are already good athletes. Sport is a game or it can be called a form of physical exercise done for the fun of it. Because it gives you pleasure, playing a sport is a pastime which can get a nation involved in exercising. In short, playing sports is a way to get people off their duffs.

## KNIGHTS CONTINUE WINNING TREND

In 1982, the Knights finished their second consecutive undefeated season. The outstanding leadership of Coach Hitchcock and the rest of the staff boosted the Knights to another successful year. Determination on the player's part also contributed to their great season. As one player put it: "The whole team worked well as a gorup."

The Knight's initial goal this year was to win district. Hours of practice obviously paid off, because the Knights were crowned 11-A AAAA District Champs. "We earned the respect of our opponents this season," said Darryl Robinson, when asked about the tough opposition of the 1982 season. The Knights stood as the lone football team to defeat the Region II Champion Carter during the regular season.

TOUCHDOWN was a word heard throughout the Kimball stands this year as our exceptional football team enjoyed another banner year.

The following players from Kimball were named to this year's 11-A AAAA All District Team: Of- fense — Marquis Pleasant, wide receiver; Walter Storms, center; Gary Barber, guard; Kevin Henry, running back; Todd Whitten, quarterback. Todd was also named Offensive Player of the Year. On defense, Johnny Brantley, defensive end; Hurlis

# FRESHMAN FOOTBALL ENJOYS GREAT YEAR

Beginning their high school football careers on a successful note, the members of the Freshman Football Team combined their talents and energy to achieve a 7-1-1 record. Because of the outstanding play of the team, most everyone on the team was given a chance to play. The team was lead by Dan Brooks, Teddy Potts, Craig Neal, Kevin Wilson, and Phil Gramm. Many other players contributed greatly to the team's good fortune. Coach Gray, the coach of the team, stated, "This is definitely one of the best teams I have ever coached at Kimball. The whole team had a super attitude."

# VOLLEYBALL GAINS EXPERIENCE

The Kimball Girl's Varsity Volleyball Team finished their year with a 4-8 record and the JV finished with a 9-3 record. Belinda Whitson, in her first year as the volleyball coach, said this was a building season for the volleyball players. The girls learned much about the fundamentals of volleyball and became more polished in their playing techniques. Although Miss Whitson was not disappointed, she has high hopes for next season since the players will be more experienced. "The players demonstrated a learning attitude," said Coach Whitson. Outstanding players for the team were Marilyn Jackson, Brenda Carr, and Paula Petite, who is a starting freshman.

## DISTRICT II-AAAAA CHAMPIONS

Marc Brown, Kenneth Willingham, Chris Williams, Curtis Moore, Chuckie Graves, Edward Robinson, Marvin Washington, Dwayne Brown, Roderick Foreman, John Buggs, James Roberts, Coach Tubbs

This season the team started out under the new leadership of Coach Tubbs. Hard practice, added to the player's enthusiasm, contributed to the team's best start in their history. On the court, it was easy to see that the players work well together. This year, the Knights played South Oak Cliff in the Dr. Pepper Tournament Finals at Loos Fieldhouse, and defeated them, 73-64. The team was awarded a 5 ft. trophy. The captains for the Knights this year were Dwayne Brown, Chuckie Graves, and Curtis Moore. ### JUNIOR VARSITY BASKETBALL

This year's junior varsity team finished its pre-district play with a 10-0 record. Under the new coaching of Chris Dyer, the J.V. had the determination to accomplish their goals. The team started their extensive practices early in October.

Coach Dyer was impressed with the way the team worked together. At the Wilmer-Hutchins tournament, Kimball placed 2nd. The players agreed that Hillcrest and Carter were the teams to beat.

## FRESHMEN WIN DISTRICT

This year the Kimball Freshman Basketball Team won the District Championship under the leadership of Coach Croft. The talent on the team was overwhelming. The vitality of the players was exemplified in their exuberant styles and the way they exerted team effort. The sacrifices the players made and their concentration during practice paid off. It was thought by their opponents that they would not be ready for the season, but the team proved them wrong. The young men on this team were gifted with their unique strengths and styles.

## GIRLS VARSITY BASKETBALL GAINS VALUABLE EXPERIENCE

Skill, determination, and perseverance best describe the Girls Varsity Basketball Team. The team began the season on a high note — beating two teams they had never beaten before. Coach Mary Weems stated, "This is probably the fastest team I've ever coached."

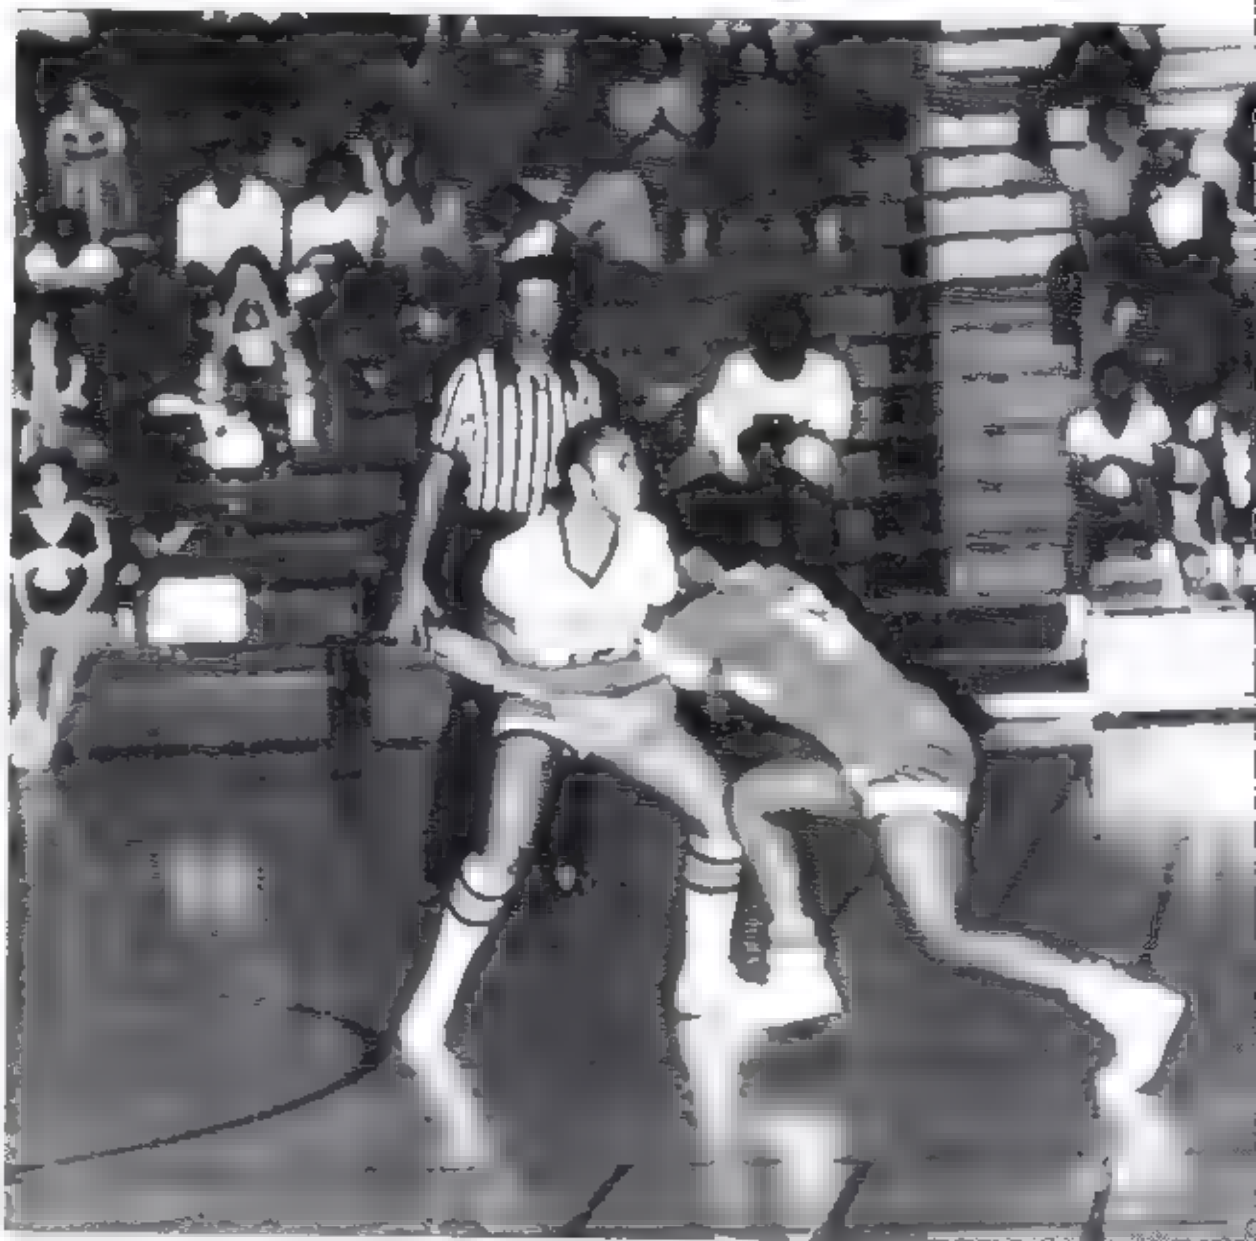

The team's willingness to work gave the girls high hopes for the season. Outstanding players included Carol Jones, Kim White, and Zelda Johnson. All of the girls contributed to the team's success.

# JV GIRLS BASKETBALL STARTS NEW SEASON

The Girls JV Basketball Team, coached by Miss Whitson, enjoyed an exceptional season. With a starting line-up of five freshmen, the team built a respectable reputation with hardly any previous experience.

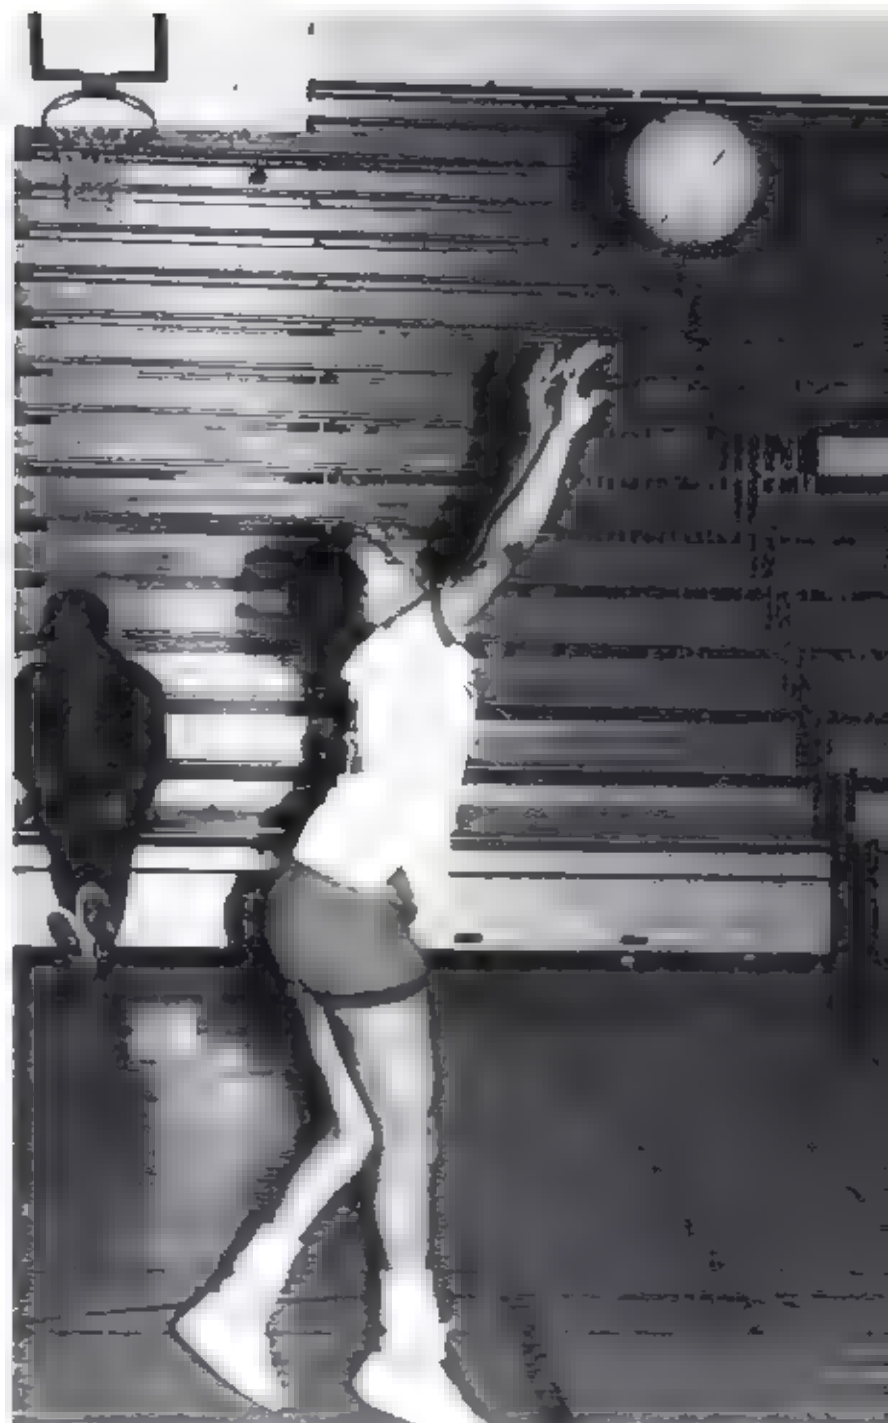

Miss Whitson boasted of the young team: "The girls were a joy to work with." They were quick and tried hard — they were a super group." The team's key opponents were Carter and Skyline. The youth and vitality of the team paves the way for an even better team next year.

## SOCCER TEAM STRIVES FOR GOALS

This year's Soccer team started practice early in the season. The team worked very hard to make the playoffs. Also with new players joining the team, the Knights had to work out the problems of steady positions.

The team stated that every team they played were going to be tough. "I feel that we will do real well this year because we work uniquely well together," said Captain Derek Starr.

2

## GIRLS SOCCER

The girls soccer team began their preparation for the 1983 season with three months of hard running and training. Senior captains Mauricia Canales, Diane Baker, and Laura Hinton led the team through the season. With 9 returning lettermen the team had a strong chance to make the playoffs.

With the addition of the new U.I.L. rule letting Soccer be a State competition sport the team formed more incentive to become champions. The girls got off to a great start with a pre-district record of 3-0.

The team agreed that Bryan Adams, Hillcrest, W. T. White, and Sunset were their toughest opponents.

"The team had a fierce determination in their hearts to make the playoffs" said Dona Cussimano.

Back Row: Charles Cox, James Dorward, Eric King, Terry McManus, Pedro Fernandez, Edward Aguilar, Paul McManus, Kenneth Cole, David Dorward.

This season the Kimball Swimming Team, under the leadership of Coach Durbin, went through rigorous preseason training. Although swimming requires extensive work, the countless hours of practice paid off. When asked about how she measured up to her expectation, Coach Durbin replied, "Some individuals fell short but others surpassed my expectations."

All of the swimmers goals this season were individually set, their throughout the year varied in size. The team's stiffest opponents were W. T. White and Sunset. Mike Bradish, a diver, was considered to be their best athlete. Terry McManus, Paul McManus, Mike Bradish, David Dorward, Pedro Fernandez, Debbie Frias, Karen Bjerke, and Ann Marie Casey were all returning lettermen.

## WRESTLERS DEFEND TITLE

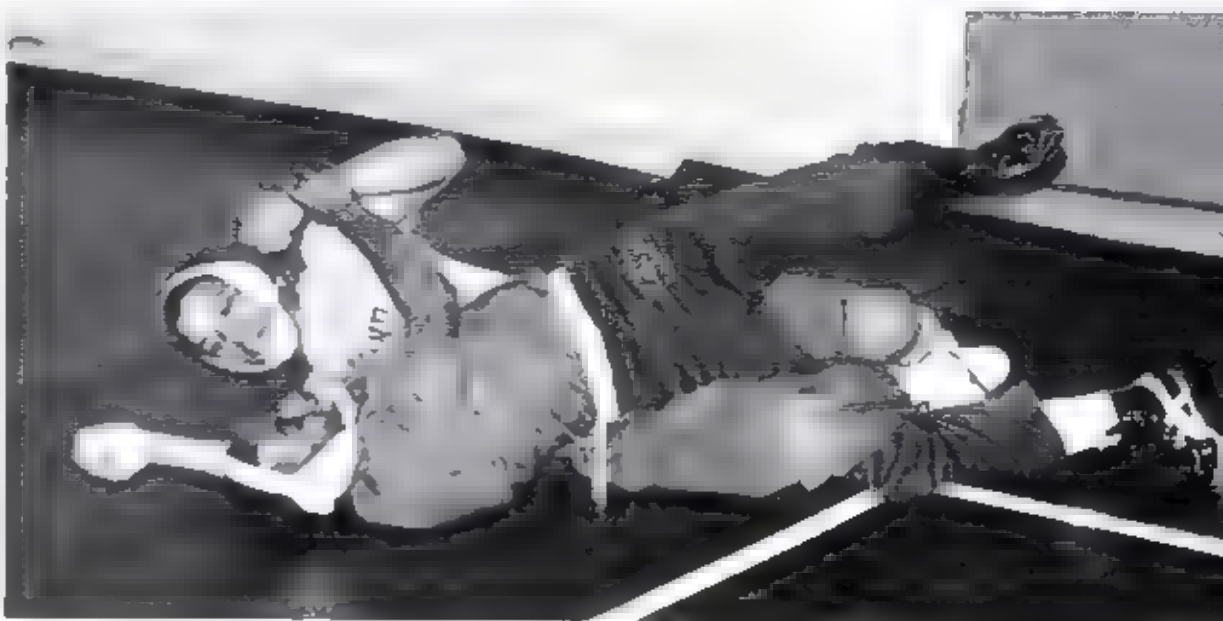

1

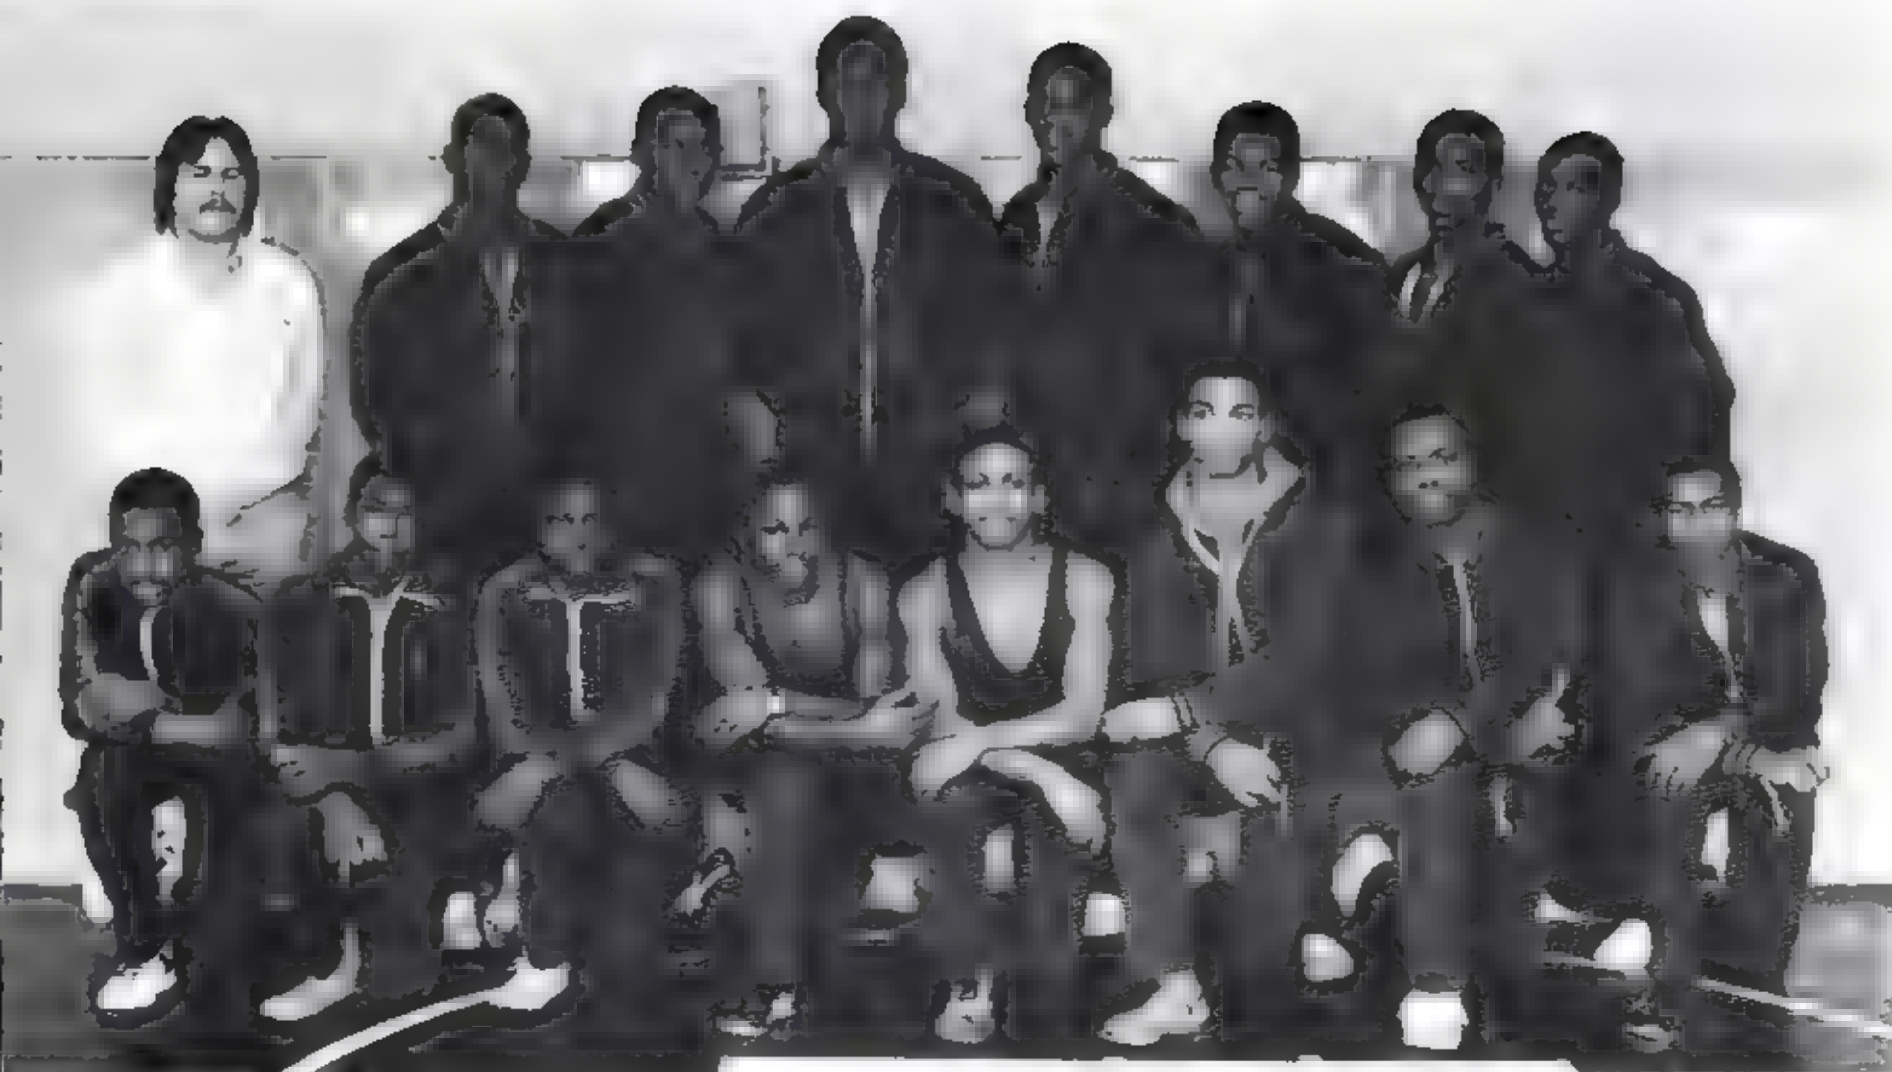

The Kimball Wrestling Team continued their winning tradition this year by successfully defending their district title. The grapplers, coached by Robert Harmon, set out at the beginning of the season with hopes of winning district and regional titles. The team squeezed out their district title by narrowly defeating W. T. White. Outstanding wrestlers for Kimball were Bennie Washington, Darryl Mack, Cedric Manning, and Sherman Lacy. When asked about the Kimball wrestlers, Lacy said, "The team had a real determined attitude and looked to a successful season."

## GOLFERS ENJOY GREAT YEAR

Full of energy and potential, the Knight Golf Team charged into a year of competition and excitement. The team began their season by placing fourth in the Fall Tournament. The team was led by three outstanding players: Mark Carlberg (Three-year letterman), Tommy Carlberg, and Pat Sullivan. Mr. Janosko, the team's coach, noted, "The strong leadership, along with the team's competitive spirit, brought hopes for a highly successful season."

5. Coach Janosko, Jeb Bledsoe, Tommy Carlberg, and Mark Carlberg.
6. Jeff Deal really concentrates on his swing.

# TENNIS TEAM SWINGS INTO ACTION

The Kimball Tennis Team is once again a district championship quality team. To prove this they won the Dallas High School Fall Tennis Tournament with resounding results. W. T. White was the team to beat this year and if they did, they would win district as they have in the past, once including five consecutive district championships. "Ricky Wilson is the defending city champion and should win again this year," Mr. Martin said. Other players expected to win places in district are: Deidre Kelley, Don Lambrecht, Cathy Trevino, Kenny James, Allison Smith, David Scales, Cindy Whitus, and Luan Tran.

## IT'S WORTH THE RUN

### 1982-83 TRACK TEAM

The Track Team increased in size and potential this year. They practiced in the afternoon to prepare themselves for the meets. The team's practices consisted of exercises and running laps to warm up. Being a member of the track team takes dedication and endurance. The talent on the team was overwhelming this season. Their desire to get in the best physical and mental shape, to win not only the meets, but the District Championship, was admirable and evident. Eric Stanton stated, "By the time District comes around we'll be strong enough to compete against anyone in our District."

1

2

The Girl's Track Team started the season off by having several hours of practices after school. The practices started with exercises to warm up. Team effort, dedication and endurance played a vital part in the success of the track team. Sometimes a track meet can be surrounded by tension and anticipation, but win or lose the girls seemed to come through. It's easy to see that even under pressure the team can be filled with confidence. The spirit and enthusiasm of Coach Weems and the upperclass tracksters kept the team on their toes.

# Friends

## Ah, Friendship!

1

No matter who you are, your life has no purpose if you have no friends to share it with. As you turn through the pages of this book, even if it is now or twenty years from now, remember the great times you've had with the friends scattered in this book. High school years can be the most memorable years of your life, and it's all because of friends.

**DR. JOHN T. THORNTON**

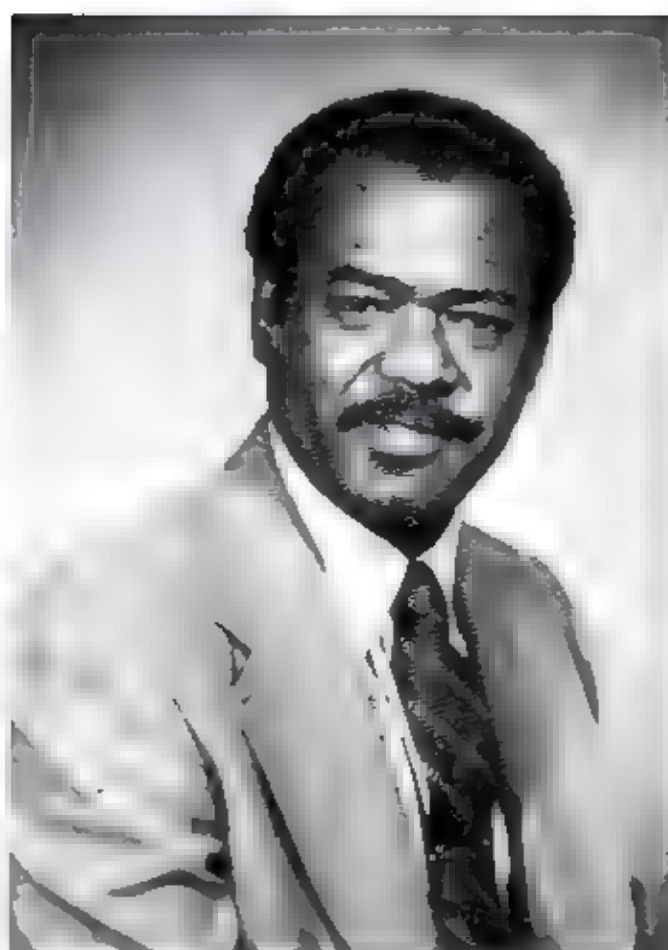

Kimball's third principal in its 25-year history is Dr. John T. Thornton. He received a B.S. and a M.Ed. from North Texas State University, and a Ph.D from Nova University. Dr. Thornton has been a principal and teacher in several schools throughout North Texas. He has taught at James Bowie High in Simms, Texas, McDaniel Junior High in Denison, Texas, as well as S. J. Hay Elementary, J. L. Long Middle School, and Crozier Tech High (all in Dallas). He served as Assistant Principal at Sunset and at Kimball. He was principal at Sidney Lanier Elementary and Greiner Middle School before coming to Kimball this year.

When asked about the difference in the behavior of Kimball students when he was at Kimball ten years ago and present Kimball students, Dr. Thornton felt that this year's Kimball students have been much more cooperative and friendly than earlier. He noted that in the late 60's and early 70's, high school students across the country were in a rebellious and independent trend (generally speaking). The most important aspect to him was that the Kimball students had not lost the respect for their school which has been present throughout Kimball's history. The same traditions and pride is present now that was present when he was here earlier.

Dr. Thornton's main goals for Kimball are 1) higher test scores, and 2) for Kimball students not to lose the desire to stay the best in what they do. Dr. Thornton's family includes his wife, Betty, and two daughters, Amy, 14, and Lani, 11. His hobbies include fishing and hunting. He enjoys being outdoors.

# ADD ONE UP FOR THE MATH DEPARTMENT

1

2

Kimball's Mathematic Department offers a wide range of courses in order to stimulate the students interest in one of the many areas of math. Throughout our nation, the need for those who have knowledge in different areas of math is growing. Kimball is blessed with several outstanding math teachers, which is one reason why Kimball has produced many fine students who have gone on to major in some form of mathematics.

# SCIENCE INCREASES STUDENTS' KNOWLEDGE

The Science Department continually strives to challenge each student in order to help them increase their knowledge in the field of science. Each teacher encourages student participation, which is a valuable tool in teaching such a complex field of study. Through Physical Science, Biology, Chemistry, Physics, and Health classes, the student is introduced to all aspects of science. Although science can be complex, a student with an inquisitive attitude will excel because of Kimball's exceptional Science Department.

# CREATIVE ARTS DEPARTMENT CHALLENGES STUDENTS

The Creative Arts Department holds as its main purpose the desire to challenge each student to develop creative and intellectual powers. Some of Kimball's most versatile and talented students are engaged in several areas of this department. Each teacher has received many years of training in their individual discipline and are quite capable of helping the students learn. One unique aspect of the Creative Arts Department is that it offers an outlet for students that are tired of the regular "classroom learning environment."

## P.E. PREPARES STUDENTS FOR LIFE

Along with the cognitive education which is obtained at Kimball, the Physical Education Department seeks to prepare each student for an active life through many physical activities. Because scientific studies show that physical fitness directly influences mental activity, Kimball's P.E. Department realizes the continued need for physical activity. Through a well-balanced physical education program, students learn abilities which enable them to understand their bodies and environment.

# OCCUPATIONAL EDUCATION DEPARTMENT ENABLES STUDENTS TO FIND A CAREER

6

The Occupational Education Department continues to promote traits that can help all students throughout life. The four diverse areas of this department are Business Education, Career Cooperative Education, Homemaking, and Industrial Arts. The development of basic life skills is urged in each of these departments. This versatile department serves as most instrumental in influencing the lives of ambitious students. From basic home chores to mechanics, the Occupational Education Department remains a vital part of career development for students at Kimball.

1. Coach Weems helps cheer on her team.
2. Coach Hitchcock is proud of his players.
3. Col. White presents his troops with top honors.
4. Mr. Winnett helps solve a problem in Accounting I.
5. Students show their appreciation for Mr. Owen.
6. Ms. Boggan always has a listening ear for her students.

# LANGUAGE ARTS DEPARTMENT STIMULATES INTREST

The primary purpose of the Language Arts Department is to help the student gain knowledge of the many facets of the English language in order to help them in whatever field of study they choose. The two basic areas of English are literature and grammar. Each teacher develops lesson plans which combine these two areas. One of the most important functions of the English teacher is to compile such a plan and still keep the students interested and concerned. Through literature, students can build their own outlook toward different perspectives on life. The familiarity that students gain from grammar allows them to compose more understandable prose.

Besides English, foreign language studies are included in the department. The study of French, Spanish, German, and Latin enables the student to know the basics of each language, along with helping them learn about different cultures.

# Leadership

## Dawn Baker

Many times the staff of Kimball pointed to Dawn Baker as a talent to be reckoned with. There is little doubt that her peers recognized this inspirational ability, electing her the Most Popular Senior Girl, Homecoming Princess and a repeated member of the underclass favorites. The Knight Cheerleaders success was doubly insured by the presence of Dawn in their ranks. Her future is indeed bright.

## Diane Baker

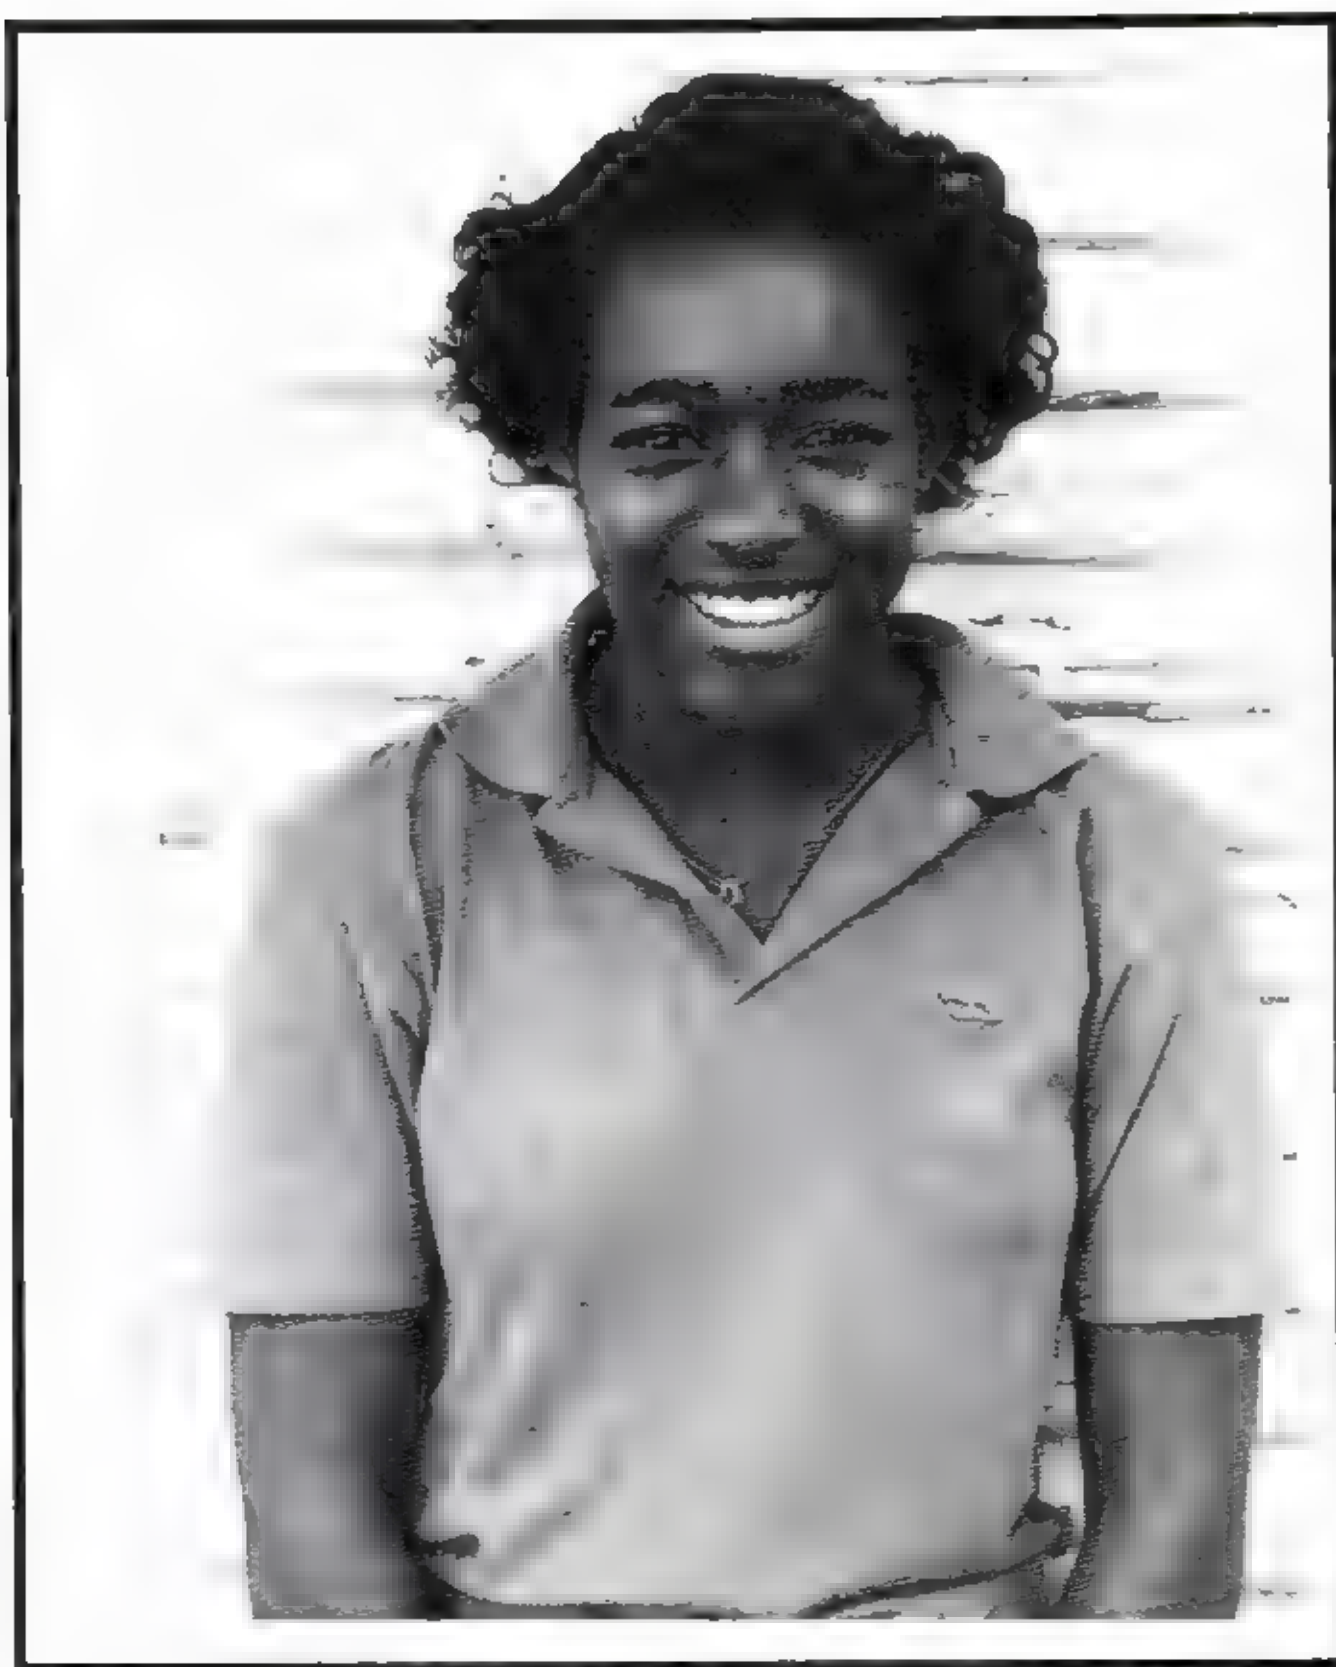

The Varsity Cheerleaders benefitted immeasurably from Diane Baker's presence. Her boundless enthusiasm and love for people led to her inevitable selection as the Friendliest in the Senior Class. Always approachable, Diane also held the position of NHS Treasurer and actively participated in the New Tymes Singers, Chorale and Soccer, excelling in all.

## Julie Cunningham

Persistence, perseverance and intelligence are the hallmarks of Julie Cunningham's tenure at Kimball. Her calm but inspiring leadership as Excalibur Editor-in-Chief pulled the staff through many difficult deadlines. The Color Guard never displayed better skill and precision than under Julie's captaincy. Despite total involvement in these activities, Julie managed to keep one of JFK's highest scholastic averages and still actively participate in Chorale and the New Tymes Singers.

## Cassandra DeGraffenreid

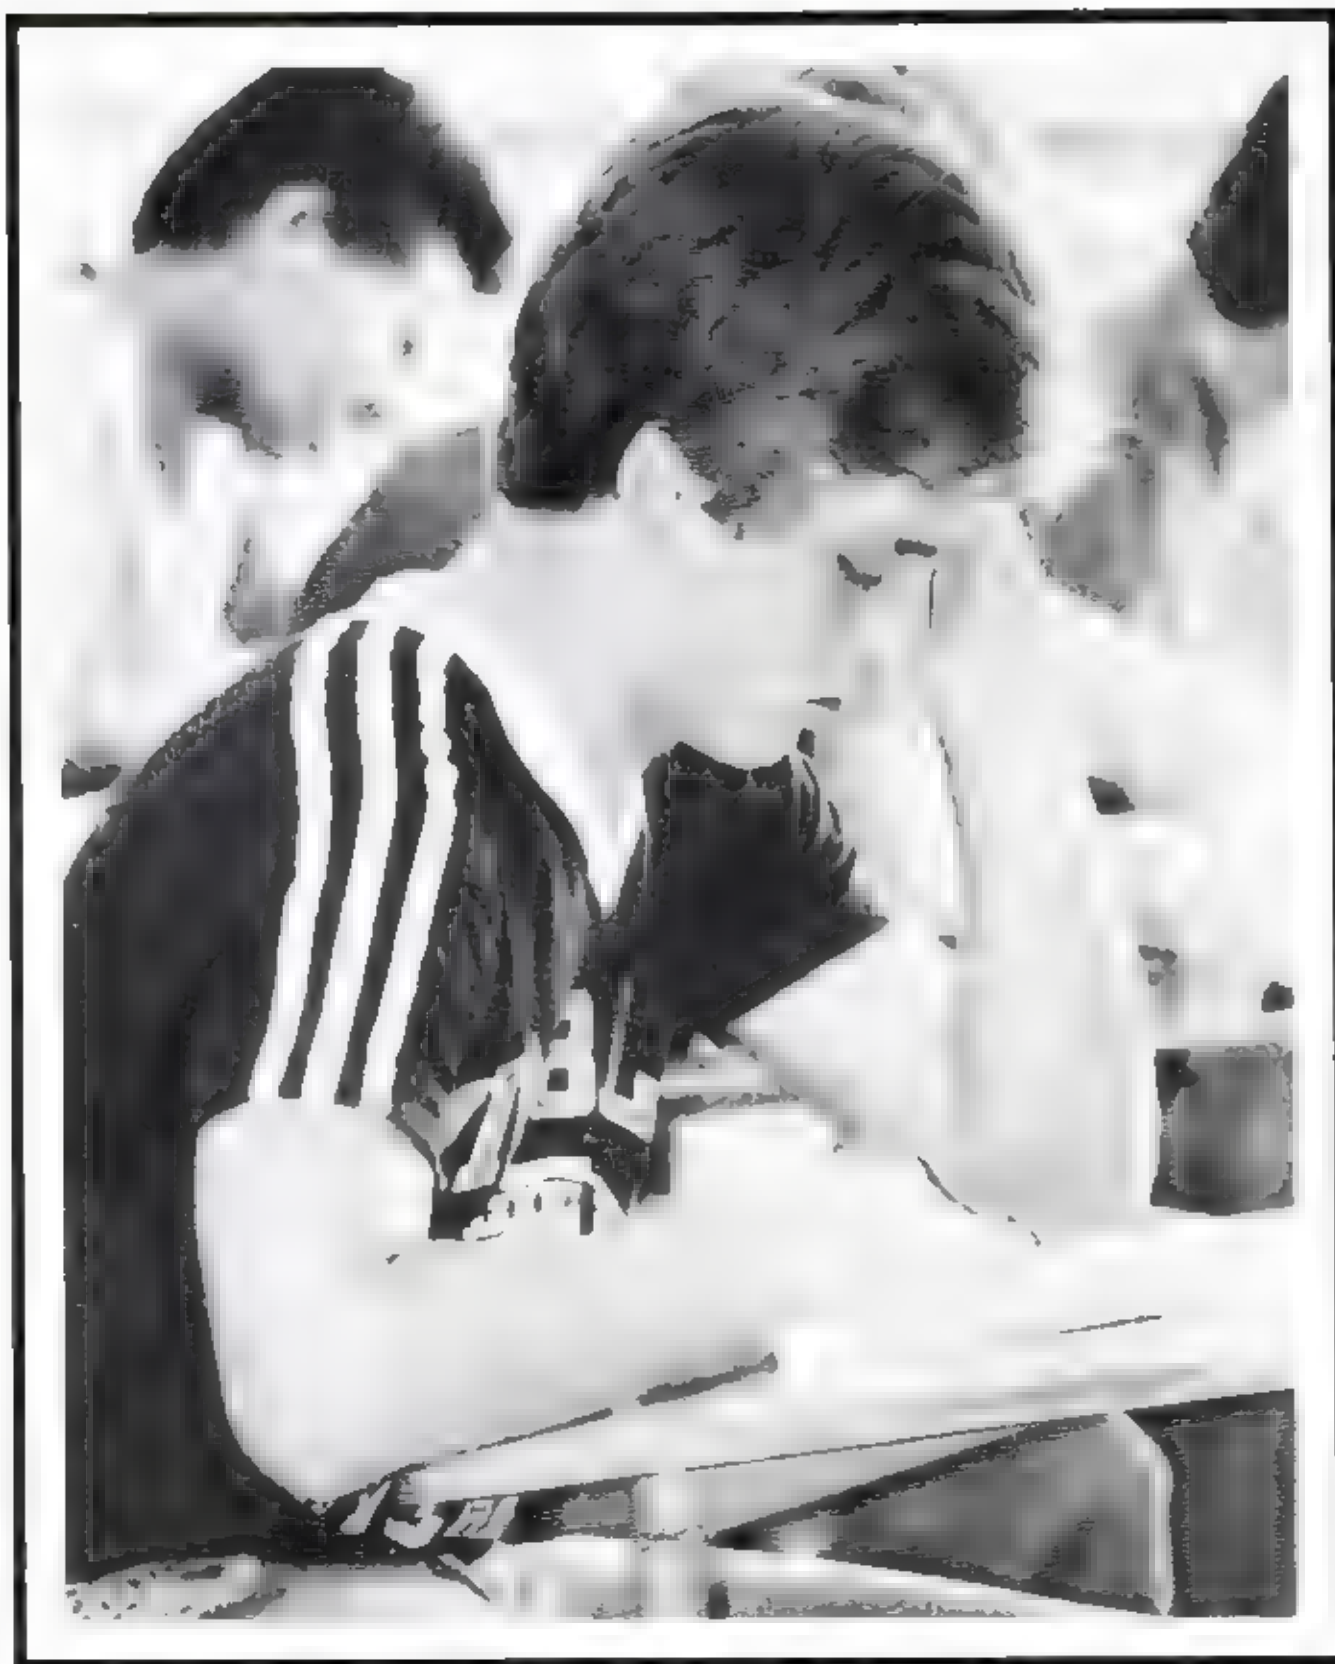

Cassandra DeGraffenreid's activities at JFK were varied and always well done. The Cheerleaders were sparked by her energetic and athletic performances and the Senior Class never had to worry about the ledger with Cassandra as the Treasurer. Moreover, the Student Council had another great year with her at the controls. Cassandra's journalistic ability was evident during her term on the *Excalibur* staff.

## Allison Dowling

Leadership, dedication and beauty are all qualities that mark Allison Dowling's career as a Kimball Knight. She maintained a high profile as a Troubadear Lieutenant and proved her considerable charms by being recognized as the Most Beautiful Senior. Allison also displayed outstanding ability during her stint as the Senior Class Secretary.

## Doug Hankins

When the definition of an all-around student was discussed by the JFK faculty, the name of Doug Hankins was always emerged as everyone's ideal. An accomplished athlete with the football and soccer teams, Doug also displayed considerable leadership ability as President of the Senior Class. His popularity among his peers was reflected by his presence on the Homecoming Court. Doug also maintained a GPA that kept him in the top 10% of his class and in the Kimball National Honor Society.

## Yvonne Holguin

For the second straight year the Roundtable is honored by the presence of another Holguin. Yvonne always sought the best, whether as a student council officer or a precision performer for the Troubadears. Grades were never far from her mind as NHS status proved. The Class of '83 could look forward to memorable activiteis with Yvonne at work as the class Vice-President. She surely has carried on a tradition of family excellence.

## Blaine Howard

Blaine Howard's diminutive size is no drawback when one considers his forceful presence at Kimball. He combined an outstanding academic record with significant activities in setting a standard for other Knights to emulate. His presence on the Senior Steering Committee helped that group to another great year. In addition the Troubs functioned smoothly during Blaine's term as a grip. Scholastically, Blaine was elected to a place on the National Honor Society.

## Paul Petitt

Paul Petitt made his presence known in a variety of JFK activities. Ever popular among students and faculty, Paul excelled as a sportsman and scholar. The National Honor Society was enriched by his presence as well as the Knight Student Council. Despite limited playing time with the Knight footballers, Paul's spirit and encouragement were indispensable to the team's continued success.

## Wendy Rucker

Creative leadership and hard work were called for when the Knight Criers burst on the Kimball scene last year. Wendy Rucker supplied both in ample quantities. Her skill and dedication insured the spirit group an important place in the Knight scheme of things. An outstanding academic record and an integral part in producing the 1982 *Excalibur* rounded out Wendy's exemplary JFK years.

## Brian Tinsley

Voted the Senior Most Likely to Succeed by his peers, Brian Tinsley exemplifies the qualities necessary for success. In addition to serving as the Knight Marching Band Drum Major, he was Copy Editor of the *Excalibur*. Brian's academic record was unparalleled as he assumed the Presidency of the National Honor Society. There is little doubt that Brian will leave his mark in the world.

## Todd Whitten

The Knight drive to a second straight district football title was spearheaded by the all-district skill of Quarterback Todd Whitten. In addition, he exemplified the ideal of the student athlete by earning a spot on the Kimball chapter of the National Honor Society. Displaying other talents, the Senior Class honored Todd with the title of the Most Handsome Senior. Kimball baseballers were always encouraged by Todd's contributions to another great season.

## Adviser's Page

Twenty-five years is a sizable portion of anyone's life. I sincerely hope that the staff of this *Excalibur* has transmitted some of the flavor of our first quarter century. I know that Julie, Don, Angela, Brian, Charla and the rest of the staff have done their best to present Kimball with an annual that reflects its importance in the past, present, and future of Southwest Oak Cliff. All kinds of people contribute to this success as witnessed by the faces on this and every page. The vagaries of deadlines, luck and availability preclude including everybody. But this does not mean their contributions are unappreciated.

I want to wish my successor, Conni Durbin great success and I want to thank again all my past and present staffers, especially Ann Rickabaugh, Cindy Wilson and Julie Cunningham for their unselfish dedication. And last but not least, I thank my wife Pearl for her support and patience.

T.F.

# Special Thanks To:

The club sponsors and coaches who put up with all of the  
scheduling and rescheduling of pictures.

## FROM THE EDITORS . . .

---

The past four years here at Kimball have been some of the best years of my life. It all hasn't been a bed of roses but most of it has been good. I have had good friends and good teachers. The best thing that I like about Kimball is the closeness that we share. Friends are close to each other and the teachers really care about the students. I am going to miss this school when I leave but I will always remember the special people that I met here.

Charla J. Modisette  
Album Editor

Being on the *Excalibur* staff this year has been an enjoyable and educational experience. I found myself shocked by the amount of work that it took to put this yearbook together, and I count it a privilege to have been a part of this yearbook's staff. While looking at this yearbook, you might think that some parts of it are "corny" or ill-achieved, but I feel that as the years pass and you find yourself looking through this yearbook once again, the minor flaws that you may see now won't be remembered, but the countless memories of your high school years at Kimball will become clearer than ever.

Brian Tinsley  
Copy Editor

The annual staff has become a family. This year we literally lived together for days on end. We worked hard and we played hard — and somehow everything got done. This year we were beset by many special problems, but with team effort we overcame almost all of them. We hope that this annual helps you to remember your sometimes fun, sometimes not so fun, days at Kimball.

I thank my staff for coming through in the end.

Donald M. Vail  
Organizations and  
Activities Editor

This year was a very productive year. We spent long hours working on the annual which really paid off. This year was also my first time on the sport staff and being on staff increased my knowledge of the games people play. I would especially like to thank my staff members. They were really great during deadlines. This was my second year on staff and it was the best. Best wishes to you, Kimball. May you always seek the best.

## STATE PLAYOFF HOPES FADE

On a brisk, sunny morning in mid-November, our Kimball Knights, along with numerous students, parents, faculty members, and alumni, journeyed to Texas Stadium to take on the Plano Wildcats in the bi-district championship. Over 11,000 fans of both schools were present to see this hard fought match. Plano, who has enjoyed great playoff victories for many years, came out of the locker room enthusiastic and powerful. While only one DISD school had ever previously won a game in Texas Stadium, the Knights entered the game hopeful and optimistic of what the day's events might bring.

The game began with Plano surprising everyone as they threw for a quick touchdown. The Wildcats added two more touchdowns to make the halftime score 21-0. Kimball came into the second half full of desire. The Knights cut Plano's lead to 21-14, but Plano went on to win the game 28-20.

Although the hopes of a state championship faded, the Knights enjoyed one of their best seasons in Kimball's 25 years. The players represented our school well both on and off the field.
